

# Volunteers Policy

## **PURPOSE**

To outline the processes that Roberts McCubbin Primary School will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

## **SCOPE**

This policy applies to the recruitment, screening, supervision and management of all people who volunteer at our school.

## **DEFINITIONS**

*Child-related work:* work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

*Closely related family member:* parent, carer, parent/carer's spouse or domestic partner, stepparent, parent/carer's mother or father in-law, grandparent, uncle or aunt, brother or sister, including step or half siblings.

*Volunteer worker:* A volunteer school worker is a person who voluntarily engages in school work or approved community work without payment or reward.

*School work:* School work means:

- Carrying out the functions of a school council
- Any activity carried out for the welfare of a school, by the school council, any parents' club or association or any other body organised to promote the welfare of the school
- Any activity carried out for the welfare of the school at the request of the principal or school council
- Providing assistance in the work of any school or kindergarten
- Attending meetings in relation to government schools convened by any organisation which receives government financial support

This is a broad definition and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (ie indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer school work in good faith.

## **POLICY**

Roberts McCubbin Primary School is committed to implementing and following practices which protect the safety and wellbeing of children and our staff and volunteers. Roberts McCubbin Primary School recognises the valuable contribution, time and support that volunteers provide to our school community and the work that we do.

The procedures set out below are designed to ensure that Roberts McCubbin Primary School's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

### **Becoming a volunteer**

Members of the Roberts McCubbin Primary School community who would like to volunteer are encouraged to approach their class room teacher/specialist teacher or staff member organising event or ring the school to put their name down to assist.

### **Suitability checks including Working with Children Checks**

#### ***Working with Students***

Roberts McCubbin Primary School values the many volunteers that assist in the school community eg: in our classrooms/with sports events/camps/excursions/school concerts/other events and programs. To ensure that we are meeting our legal obligations under the *Working With Children Act 2005* (Vic) and the Child Safe Standards, is Roberts McCubbin Primary School community required to undertake suitability checks which may include a Working With Children Check, proof of identity, work history involving children and/or reference checks.

Please contact school regarding more information regarding a WWCC or apply online at the following website:

<https://online.justice.vic.gov.au/wwccu/onlineapplication.doj>

Considering our legal obligations, and our commitment to ensuring that Roberts McCubbin Primary School is a child safe environment, we will require volunteers to obtain a WWC Check and produce their valid card to the School Office for verification in the following circumstances:

- **Volunteers who are not parent/family members** of any student at the school are required to have a WWC Check if they are engaged in child-related work regardless of whether they are being supervised
- **Parent/family volunteers** who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is **not** participating, or does not ordinarily participate in, the activity.
- **Parent/family volunteers** who assist with excursions (including swimming), camps and similar events, regardless of whether their own child is participating or not.
- **Parent/family volunteers** who regularly assist in school activities, regardless of whether their own child is participating or not

\*See [School Policy and Advisory Guide – Suitability Checks for School Volunteers and Visitors](#) page.]

### **Non child-related work**

*Note: At law, volunteers who are not engaged in child-related work (eg fete planning and organisation) do not need a WWC Check under the WWC Act. However, the Child Safe Standards require appropriate suitability checks (at the discretion of the school) for any **child-connected** work which is work performed where children are present or reasonably expected to be present. Below are options that you could adopt at your school.]*

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related eg: volunteering on the weekend for gardening, maintenance, working bees, parents and friends club coordination, school council, participating in sub-committees of school council, fete coordination, other fundraising groups that meet in the evenings] during which children will not be, or would not reasonably be expected to be, present.

Volunteers for this type of work are not required to have Working with Children or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. However, Example School reserves the right to undertake suitability checks, including proof of identity, Working with Children Checks, at its discretion if considered necessary for any particular activities or circumstances.

### **Management and supervision**

Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This will include the requirement to follow our school's policies, including, but not limited to our Child Safety Policy / Statement of Commitment to Child Safety, our Child Safety Code of Conduct and Statement of Values and School Philosophy. Volunteer workers will also be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department's policies relating to Equal Opportunity and Anti-Discrimination, Sexual Harassment and Workplace Bullying.
