

God has known us from our mothers womb

Scripture Reference:

Jeremiah 1:5

Matthew 18:11-14

Luke 15:8-10

- We are God's creation and he knows exactly what he made us to be. He knows exactly who he made us to impact for the kingdom. He knows our flaws. He knows our strength. We are important to him because he specifically designed each and everyone of us, we are fearfully and wonderfully made. God loves us. He desires us. He wants to see us do and be what he created us to be in order to fulfill our purpose that he made us for.
- I think of the Potter and the clay, when he formed us he knew exactly what he made us and when he was going to use us, some of us may still be on a shelf, some of us are on the wheel, and some are still the lump of clay but there is an appointed time for you. You are valuable in the eyes of God you are valuable in the kingdom of Heaven. Anyone who can see through the eyes of the Holy Spirit can see that you are valuable to God. A lot of times It's hard for us to see our own value just like it's hard for us to see how we look physically to other people. We only see our reflection.
- But When God looks at you God sees perfection in you

Romans 3:10/3:23

Testimony of suicidal spirit in the jail cell

Romans 8:29-31

Ephesians 1:4-5

- We will not always be able to see our worth and have moments where we feel like we have no value but in Gods eyes you were, you are and will always be valuable.
- Don't allow your past sin to define you. You are not the sin that you committed. The blood of Jesus has covered that. Don't identify with that. What you do is not your identity. Jesus Christ is your identity He is your righteousness He is your Value He is your Purpose
- He will always be your identity and when you need encouragement and desire to learn more about yourself then learn more about him
- He has always been your identity and your true identity is already In you. God doesn't want to throw you away He only wants to show you what He put inside of you a long time ago. In Jesus Name
