WOMAN'S WORLD

WOMEN GIVING A HAND UP TO WOMEN IN NEED

WHAT IS WOMAN'S WORLD?

Woman's World is a nonprofit led by professional women with a mission to uplift women in need—those affected by domestic violence, poverty, illness, loss, and more. Through love, support, and a Christ-centered approach, we help women heal, build confidence, and regain independence.

HOW WE FUND IT

We raise funds through grants, donations, resale of donated items (in-store and online), and special events.

OUR VISION

We aim to purchase a two-story commercial property with a retail store below and rent-free housing for a woman in recovery above. The store will sell donated goods, handmade items, and include a food pantry. The upper level will also serve as a space for Bible studies, life skills classes, and community events.

WHERE YOUR DONATION GOES

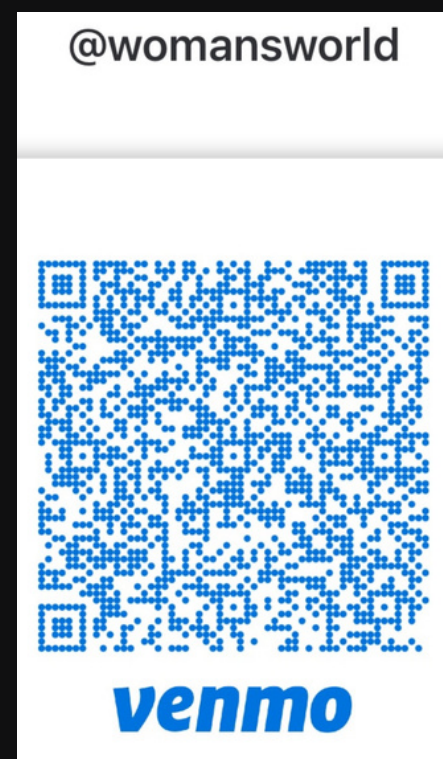

Funds support store staff, a profit-sharing program for women in recovery, operating costs, food, outreach, and events. In return, supported women will lead a community service project during the year.
