

# Good Things Event Vendor Agreement Form

Welcome to the first annual Good Things event sponsoring Woman's World! Woman's World is a nonprofit start-up whose goal is to give women in need a hand up. In order to establish Woman's World, we need funds to rent, furnish, and stock a physical location that will employ and support women in need. And, this Good Things event was created to do just that! Thanks in advance for helping with our endeavor! We hope this event invigorates your business with new clients and customers!
