

## Discovering God's Love

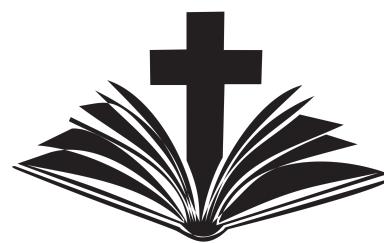

As we begin the new year, our Bible study kicks off with the foundation of Christian life: Love. We'll explore how God loves us unconditionally and how we're called to love others—even when it's hard. Through 1 Corinthians 13 and other passages, we'll see love as patient, kind, and sincere. Bring your experiences as we discuss practical ways to live out love in our families, workplaces, and community. Key verse: "Love is patient, love is kind..." (1 Cor. 13:4). Everyone welcome—come grow with us!
