November 5 General Election

Local Elections

For the following non-partisan races, the CCDP is promoting candidates who share values aligned with ours, AND who consented to being included in this document. Therefore, this list doesn't reflect all candidates that we support and will be periodically updated. If you have questions about the policy and value positions of a candidate not listed here, we recommend you reach out to them directly; and, that you tell them you are using this tool for guidance.
