Notes:	

## **BULLS**

**Submission to Sire Directory** (coming online, spring 2023) Get ready to upload your bulls into the HCA public sire directory. For each bull you offer frozen semen on, you can enter your bull, upload his photo, webpage link, all searchable statistics, and documentation of all DNA test results done. For an idea of what records to gather and submit on each bull, see more here: miniature-cattle.com/bullstats.htm
