

If you want to elevate your interior design with customised and one-of-a-kind paintings, my bespoke painting services might be just what you're looking for. As an artist, I collaborate closely with my clients to grasp their preferences and design paintings that are unique to their individual needs. I carefully choose the right colour palette and utilise various techniques to ensure that each painting complements the client's living space and adds a touch of their personal style to their home. With my bespoke painting services, you can expect to have a stunning and personalised art piece that will enhance the ambience of your living space.

Vision

Sheena's vision propels her artistic journey. Starting in the realm of street art, her tenacious pursuit of a personal vision remains steadfast, capturing authenticity in contemporary art. Her paintings exude immediate accessibility, brimming with human feeling that compels you to pause and ponder. Simultaneously, these pieces gradually reveal their stories and secrets over months and years, mirroring the complexity of those who commission her work.

The process of custom art with Sheena unfolds through conversation. She dedicates herself to understanding your space—envisioning it, exploring your preferred palette, and comprehending the interplay of light and precise dimensions. Guiding you through canvas size selection and framing, Sheena explains materials and the creative process with clarity and simplicity.

Your journey from the initial spark of inspiration to completed artwork is transparent and effortless. Designed to make you feel like a co-creator, Sheena ensures the masterpiece is tailored exclusively for you. Engaging with Sheena guarantees not just a piece of art but a seamless journey from conception to creation.
