

MEMORY BOOK

SEPTEMBER 23 - 27, 2024

WELCOME TO LONG ISLAND

Thank You for Joining Us

Dear Long Island Cuppers:

Good things come to those who wait! Well, for as long as you have had to wait for this memory book, it better be something special, right? I think this look back at what was a once in a lifetime destination experience lives up to the expectations.

After sorting through hundreds of photos, we were finally able to organize what we think are the best.

Big thanks to Kristen Reynolds, Alfredo Gonzalez, the entire DLI team and their partners for assembling a diverse itinerary that was engaging, interesting and productive. Even some who thought they "knew" the destinations walked away with a different perspective of the possibilities hidden on Long Island. Based on the many comments, DLI delivered on all fronts, showcasing its scenic beauty, first class lodging, high quality golf, historical attractions, diverse cuisine and impressive wine/farm to table culinary.

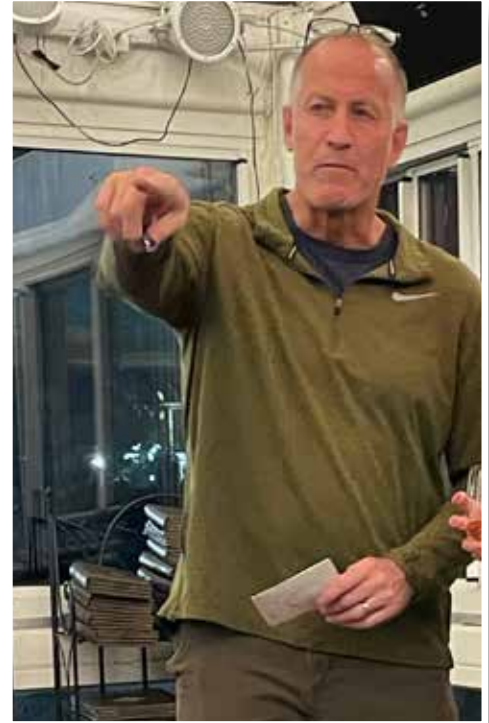

Thank you to everyone who made it all come together. Not only your presence but your enthusiastic generosity in supporting the charity, Island Harvest, with more than \$8,000 in contributions to support the Island's hospitality workers.

Looking back over the last 15 months, I hope that each of you have been able to manifest new or elevated relationships and grow your business. For those of you who played the Black course and watched the Ryder Cup, I hope you enjoyed remembering where your ball landed in relation to the new layout. Mine always seemed to be where the fan viewing stands were located – LOL!

If you were with us recently in Billings and Cody, I promise that memory book will come much more promptly than this one did.

All the best,

Terry
