

FOUNTAIN HILLS FARMERS MARKET

Located on the AVENUE OF THE FOUNTAINS

Rules of the Market - Hours 10 am - 2 pm

Thank you for participating in the New & Expanded FHFM. Please read the rules of the Market and text me back that you understand and accept these rules. You are now part of a very special group of Vendors that will service our Fountain Hills residents, guests, out of town visitors, and the 50 "Art on the Avenue" Artists that will need your products also. With the Avenue full of over 100 Vendors, you need to bring it! Please list this Market on all upcoming Social Media you do.

SET UP - Normal set up begins at 8am. No Vendor will be allowed to set up after 9:30am. This is an open park area and customers come early, be ready! You can park to unload at the curb of your assigned area, you must unload and then move your car to the Assigned Parking Area. There will be a volunteer to explain parking areas. No set-up until your car is moved. There is NO parking on the Avenue of the Fountains! If you are found parking on the Avenue, you will be warned and then dismissed from the Market. All tents must be secured with 10-20 lb. weights, if you forget them, see me. If there are no extra weights available, you must leave! NO TENTS WILL BE SET UP WITHOUT WEIGHTS. No spikes allowed.

If you have A Frame signs you are only allowed to put those on the grass beside or in back of your tent facing the street. NO SIGNS ON THE SIDEWALK!

There is no Water or Electricity available.

Vendors must keep all booth materials, chairs, tables, extra equipment, and signs within their assigned area. Please keep it neat, as the back of your tent is facing the street that people are driving by. IF there is room behind your tent that might be a good place for your A-frame sign.

TEAR DOWN - There is no leaving early, unless it is approved by Betsy ahead of time. Even if you sell out, you must stay until 2pm. My suggestion would be to take orders for the next week. YOU must take home all your own Trash, nothing is to be left on the Avenue. DO NOT put your trash in trash receptacles on the Avenue, that if for guests trash while eating only! NO leaving samples for the Birds!!!!

PARKING - After you unload you have a choose of 3 different areas.

1st place, if you are on the East end of the Avenue (between Saguaro & Verde River Dr) you need to park behind the Avenue shops on the right. Turn right on Verde River and right in the 2nd driveway behind the Avenue Shops.

2nd place, turn left at Verde River and you can park next to the curbs after the garage entrance to the apartments.

3rd place, if you are positioned on the West end of the Ave (between Verde River & the roundabout) you can park in the parking lot right next to George's Restaurant.

RESTROOMS for Vendors only. 2 choices. If you are on the East part of the Avenue you can use the restrooms that are located in an empty office suite with the word Executive Suites on the top, they will be open by 8am. Your volunteer with show you the location. If you are on the West part of the Avenue you should use the restroom located inside the Town Hall. Just go in the front doors and restrooms are on the left, they open @ 7am.

There is no smoking at the Market, please go outside the Market area to smoke. You should cover your tables with table clothes in the front, it gives you great storage space underneath.
