FOR IMMEDIATE RELEASE

Amber Henson, Owner/Broker of Urban Living and Development, Inc., brings a fourth new tenant to the 900 block of Central Avenue in Hot Springs

Hot Springs, Arkansas, 5 September 2023 – After a major renovation of 907 Central Avenue by property owner and developer Rusty Thompson and his crew, Mirror Mirror, a full-service salon, relocated to the space and is now accepting clients. Formerly located at 801 Central Avenue, Unit 12, salon owner Kelsie Bledsoe wanted to expand her business and felt that moving to the new, trendy location would meet her needs.

“I’m excited about all the new renovations. The building still has its original and timeless features and characteristics. It matches my décor and my style perfectly!” Bledsoe said.

Every corner of the salon is adorned with plush Victorian whimsy and decorated by Bledsoe herself. Vintage mirrors, crystal chandeliers, and many other antique fixtures and furnishings set the stage for an atmosphere of sophistication and indulgence.

“The salon will be an inviting place of sanctuary for clients to come and relax and escape from reality and enjoy the people you’re surrounded by,” Bledsoe said.

Bledsoe looks forward to adding stylists to her team to be able to serve more clients and offer more services, including walk-ins, and help “make more people look and feel beautiful.” In addition, new shops and restaurants in the area will provide lots of street traffic for the salon.

Amber Henson and staff at Urban Living and Development, Inc. have brokered over 25 new Downtown Hot Springs leases since 2018. “We are pleased to welcome Mirror Mirror Salon to the 900 block revitalization,” Henson said.

“I am loving all of the changes coming to Downtown Hot Springs. It’s exciting and new while keeping the history intact,” Bledsoe commented.
