Reported that Wroxham Beat Officer Troy Brandon has been off sick since he took over the role. Noted frustration that there has been no visibility in Wroxham and agreed to review the situation.

4.1.2. Lorne Green made a presentation on how the current 4 year policing plan has been agreed, the challenges that face modern policing and how Norfolk Police is responding - drones, body cameras and tablets. Norfolk is the ninth safest County in the country but there are many invisible issues such as domestic abuse which need to be dealt with.

Insp Chapman talked about priorities around road safety and noted problems with sharing information across authorities around safety on the NDR.

4.1.3.5. Local traffic issues - WPC looking for support on the idea of a “Green loop” giving pedestrians and cyclists an off-road route through the village and into Hoveton. WPC believe it would improve the lives of many people but need support to deliver the project. Clerk to send LG details. **ACTION CLERK**

4.1.3.6. Discussed change to type of roles within Norfolk Police to respond to new challenges in funding of other organisations and changes in the nature of crime with the removal of PCSO’s and the reduction in uniformed officers. There is a growth in staffing other roles and providing technology to support the service.

4.1.3.7. Request for a representative from the Police to attend Parish Council meetings where possible and keep the community briefed on what Norfolk Police are working on and how we can support that.

4.1.3.8. Talked about the appointment of a Wroxham Parish Ranger and Norfolk Police extended an invitation to meet up at Hoveton Police station and talk about how he can work with the Police. Clerk to liaise. **ACTION CLERK**
