**LIVE EVENTS NOW AVAILABLE CONTACT-FREE for Covid-19 Safety!**

**ALL EVENTS ALSO AVAILABLE ONLINE VIA WEBEX!**

## Let's Do Trivia!

*Let's Do Trivia!* is designed from the ground up to be fun and memorable events while serving the dual purpose of being an eye opening team building exercise. Our games are designed for the broad demographic of 25 to 70 year-old people with a focus on 35 to 65 year-olds. We can also customize questions to target any demographic. Our *Let's Do Trivia!* categories are diverse and will include our staples of Geography, History, Music, Movies, and Sports as well as an additional 6-10 categories. There are typically no more than 2 questions in any single specific category to keep things fair for all. We ask 22 questions while giving ample time for teams to work together to answer each question and learn to work together to the benefit of the entire team. We recommend you provide prizes to top teams.

## Let's Do Survey Sez...

*Let's Do Survey Sez...* is universal in its appeal. Our live version of TV's feuding families takes our questions and brings them home. The people being surveyed are in the room! Matching the responses of the most teams results in the most points per question and there are no wrong answers. Viewed as the anti-trivia gameshow, this event is perfect when trying to avoid the difficulties in trivia gameshows while remaining effective team building exercises. Questions are matched to intended audience.

## Play That Funky Bingo

Our newest game show is *Play That Funky Bingo*. the meteoric rise in popularity of music bingo in bars and restaurants has been staggering. We believe the reason for this success is because the music landscape has changed dramatically in the past decade. Streaming services seem to have forgotten the vast majority of great music in favor of a K-Tel Records approach to oldies. Our *Funky Bingo* includes those forgotten gems of the 50's through the 90's making this a fun night of musical memories. Game play is just like Bingo as players attempt to get 5-in-a-row and shout "**FUNKY BINGO!**" In time, Play That Funky bingo becomes a huge sing-along as guests become comfortable with the game.

## Let's Do Speed Bingo

*This ain't your grandmother's bingo!*

Our *Speed Bingo* is the great unifier. This game has shown itself to have broad appeal to all demographics. Young and old alike love this weekly event. Our Speed Bingo is nothing at all like the typical "firehouse" or "church" bingo other than the process of game-play in general. Number calling gets progressively faster as we play rounds. One of the key fiddereces can be found in the fun music we play in the background that matches your audience's ages. Add one chatty gameshow host and you have the ingredients for a surprisingly fun event everyone will enjoy. This game is pure entertainment with no specific team building element.
