2020

*V. A. Bradford Scholarship 2020 Recipients*

The Calanthe Historical Society awarded educational scholarships to students who will be attending college during the 2020-2021 semester.

We encourage these students to use 2020 Vision to look beyond boundaries to glimpse unlimited possibilities.

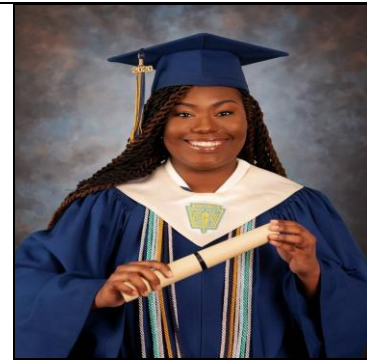

Thanks for the Calanthe contributions in making this investment for these students possible. This is what happens when a collection of minds, hearts and talents work together.
