Reflections of Life

Rosie Lee Powell was born on July 29, 1917 to Mr. and Mrs. Charlie Powell in the city of Calvert, Texas. Rosie was the last living sibling and she often reminisced on how her father (Papa Charlie) provided for their family after her mother died at an early age. Papa Charlie provided well for his children and our family has witnessed her making "family" a priority.

She spent her childhood in Calvert, Texas (the family still gathers annually on Labor Day). In Calvert, Rosie Lee met and married her sweetheart-Mr. Andrew D. Jones. The two were delivered by the same midwife on the same day. They lived near each other, played with each other and later married after being caught courting on the steps of the church house. The two enjoyed life together and later moved to Houston, Texas where Rosie Lee worked for the Ship Channel while her husband served in the United States Navy during World War II. This union was blessed with four children (Sylvia, Sylvania, Lola, and Joe). After being honorably discharged from the military, the couple moved to Fort Worth. She often gets tickled mentioning her husband surprising her with a home after leaving their apartment on Truman Drive. She has lived in the Stop Six (Carver Heights) area for over 70 years. She has worked in several restaurants throughout the Fort Worth area. Her favorite past time has been enjoying family and friends and engaging in activities with her son, grandchildren and great grandchildren.

She joined Paradise Baptist Church under the leadership of Rev. Singleton. She loved the services at Paradise and her big sister (Sallie Lee) had a lot to do with that. The two would gather there and enjoy their sisterhood and fellowship. She attended Heavenly Gospel and later joined the New Life Christian Fellowship under the leadership of Supt. Johnny Taylor. The program cover depicts a "Living Legend." In February, New Life honored her life; our family enjoyed celebrating our dear mother/grandmother and grateful for the church acknowledging her as a legend.

GOD has blessed Mama in countless ways; Her 106 years were good years. He allowed this family to watch over her and provide for her while she was still watching over us and providing for some of us. Her daily word always included, "Are you alright?" Then once nodding our heads, she would reply, "If you are good, then I am good." Mama, Some may say that you stayed here a long time, but I believe you stayed here long enough for your family to say, "We are alright Mama, WE miss you already, We love you so. This phenomenal woman was preceded in death by parents: Charlie and Lillian Powell; Husband- Andrew D. Jones; Daughters-Sylvia Lee Jones Taylor, Lola Faye Jones, Son-Sylvania Jones(Brother), Grandsons- Richard Robertson and Jason Bonner.

She leaves to cherish her Legacy of a life well-lived her son- Joe Earl (Pat); granddaughters, Angela Norwood, Cherlynn Jones, Rose Jones, Treka Jones, and Diane Washington; grandsons, James Moffitt (Renee), Karl Jones (Pam), Kevin Jones (Sharon), Sylvania Jones, Cory Bonner, Ketrick and Anthony; ten great, great-grandchildren; and one great, great, great-grandchild; extended families- The Wrights, The Callihams, Allen Hayes; special friends, Abby Winkfield (Bonnie), Truman Drive neighbors; and a host of family and friends whom she adored.

*Not today, but I'm preparing my heart. Majestically
till the end - Oh how you fulfilled your Grand
Part. I know that whenever the wind blows and
ever so slight breeze that you are near. I will listen
closely as you whisper gently touch my ear.*

*You have everything you need and so much
more; as I know you are familiar with the smile
that open heaven's door. 106 years of earthly*

*Grace - I did endure so no more worrying child - promise me that certainly for sure I felt your
hand and you held on as tight as you could but as you looked back at me, remember I prepared
you as I promise I would. I couldn't stay a second longer as I got a glimpse of the glistening
streets and a Golden gate. I heard an amazing voice that heaven could no longer wait.*

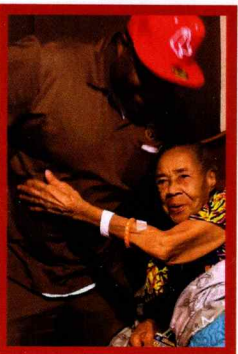

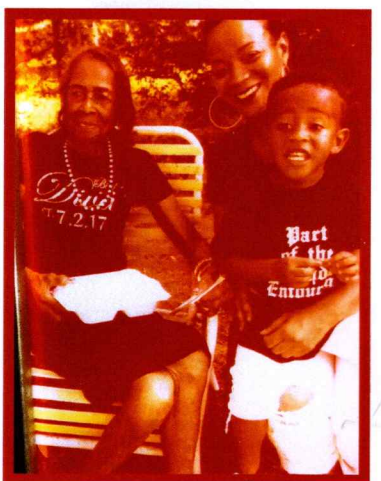

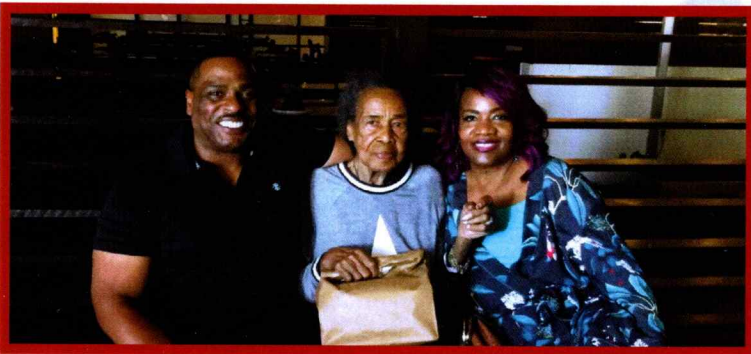

*Mama, I miss you so much and I pray and oh my gosh I pictured you dancing in the
sky. On that beautiful Sunday morning - my time on this side came to an end but you
know too well that familiar smile when I say I can't wait to see you all again.*

-Rose

*You are the best, you stood out from the
rest. We're missing you already.*

*Angela, Karl, Rose, Treka, Sylvania,
Kevin, James Renea, Diane & Cory*

Expression Of Gratitude

We wish to express our sincere appreciation to all of you here today. There is nothing more gratifying than to have loving people respond, with hearts and hands, in one's hour of need. You have lifted our spirits with your prayers, flowers, visits, calls, and gifts of love; we are truly grateful. The only thing greater than your kindness is the love of God that inspired it. Please continue to keep us in your prayers, asking God to hold us together as one. Thank you for your friendship and love.

Special Thanks

Elim Home Health, Jessie & George, Chrystal, Janet and Truman Drive Neighbors.
