

VISION: To advance North South University and its alumni by engaging its global community to its fullest potential		CORE VALUES: - Transparent and accountable leadership - Lifetime alumni relationships - Inclusivity, volunteering and philanthropy - Respect, Professionalism, Integrity - Fiscal wellbeing of each and every alumni						
PURPOSE / MISSION: Dedicated to foster a lifelong spirit of belonging and pride among alumni, students, and faculty members of North South University by engaging through educational opportunities, meaningful programs, events, benefits and services while maintaining a mutually beneficial relationship for all.								
GOALS	Deliver value to Alumni by enhancing their lives and career	Support newly migrated alumni in settling down	Strengthen Philanthropy	Create strong volunteer pipeline	Strengthen NSUAAA Organisation			
	Provide valuable services to enhance NSUer's lives and careers	Alumni coming to Australia as students or migrants - help them settle down, make them feel supported during the migration transition, train and coach them for jobs, connect them with broader network	Increase Alumni and friends donor participation to support NSU community in need and to provide undergraduate scholarships	Create a strong volunteer pipeline so that more resources are available for upcoming alumni and take the organisation forward	Put into practice greater management and performance excellence standards in support of the NSUAAA's vision			
STRATEGIES	Become a global engagement platform for NSU alumni	Do what alumni members really value and do it well	Support newly migrated alumni members by connecting with the wider alumni community	Make alumni reunions and networking events extraordinarily inspiring	Align philanthropy and alumni engagement	Foster Volunteer excellence	Foster organisation excellence of NSUAAA	
	Be the go to place on which alumni can rely. Become the clear and easy platform for alumni engagement with one another and with NSU.	Capture better information about alumni: their interests, their achievements and their connections etc.	Establish communication channels so that newly migrated alumni can easily connect/reach the with the wider alumni community.	Make Networking events, reunions extraordinarily inspiring, so that more alumni are motivated to join the events and connect with wider community to create a strong bonn.	Motivate alumni to do more philanthropic contribution.	Build a performance management framework. Strengthen the NSUAAA volunteer pipeline, including leadership positions and succession planning.	Make sure NSUAAA organisation, business process and tools are strong, flexible and support the organisation's purpose. Seek, listen and BE OPEN to new ideas and BE RESPECTFUL to each other.	
TACTICS	Create strong bonds among the alumni so that they can share and help each other to grow as a closely knit community	Cultivating a culture of alma mater within NSU's global community	Understand alumni better	Create a Annual Fund generating plan	Continuously improve online tools for alumni and enhance use of available tools	Create a process for incubating innovative engagement ideas	Create strong bond among the volunteers so that they can deliver as a team in reaching organisation's goal	Align activities to create seamless and coordinated meeting of vision and mission
EXECUTION PLAN	Programs:		Infrastructure:			Communications:		
	<ul style="list-style-type: none"> - Mentorship Program: Develop a platform where any alumni can search for the required competencies and skills within the community and a structured program for competencies transfer - nsuAAA Entrepreneurs: Connect the NSUer Entrepreneurs within the bigger alumni community across the globe so that they can help each other to grow - @Ask nsuAAAs: Prepare and manage a platform where any NSU current student or alumni from anywhere in the world can seek for suggestion/advice/support - Professional development: Organise Knowledge sharing session, professional trainings, networking events - Job Board: Alumni can post any available job if they (or their organisation) are recruiting or if they can refer another alumni for the position - Support NSUer's family members: through different events and experience sharing (like how to get kids prepared for selective school tests... any type of experience sharing). - Organise annual alumni reunion / NSU Day Celebration: Alumni and their family members can connect. Use this event to connect the whole NSU community and make sure they engage with each other. - Health and wellbeing: Create smaller groups where people can join with a group for different activities like running, hiking etc. or some indoor sports like (weekly badminton or indoor soccer). 		<ul style="list-style-type: none"> - Create an online mechanisms for submitting event and activity ideas - Online platforms where people can make philanthropic contributions for undergraduate scholarships - Develop a registration portal to develop a comprehensive database of all alumni - Develop a clear and user friendly platform for alumni engagement with one another 			<ul style="list-style-type: none"> - Focus communication to create a top quality brand - Create a more visible presence across different digital channels so that more alumni can be reached and more alumnus motivated to join the organisation as volunteers - Explore and activate platforms for digital marketplace 		
<ul style="list-style-type: none"> - Support newly migrated alumni in settling down: -For alumni come to Australia as students, help them settle down, make them feel supported during the migration transition, train and coach them for jobs, connect them with a broader network. - Online Inventory: Maintain a list of unused stuffs (like furnitures or home appliances, utensils etc.) which will be available in the webpage. Any newly migrated NSU student can collect those if they need. 		<ul style="list-style-type: none"> - Strengthen Philanthropy: - Use regular networking events, annual reunion and monthly contribution from members to generate fund for providing undergraduate scholarships and also support newly migrated students in Australia.
