Finden Solar's - Share the Power Program

We believe the best compliment we can receive is a recommendation from a happy customer. To say thank you for spreading the word about **Finden Solar & Electrical**, we've launched our Give \$200 & Get \$200 Referral Program!

How it Works:

1. **Spread the Word:** Tell your friends, family, and neighbours about your experience with us.
2. **They Get \$200 Off:** When your referral contacts us for a quote, all they need to do is mention your full name. We will automatically apply a \$200 discount to their installation quote.
3. **You Get a \$200 Gift Card:** Once your friend's installation is complete and their invoice is paid in full, we will email you a \$200 Digital Visa Gift Card to say thank you.

There is no limit! Refer 5 friends who install with us, and you'll receive \$1,000 in gift cards.

Program Terms & Conditions:

- **Eligibility:** The referrer must be an existing or past customer of Finden Solar & Electrical.
- **Claiming the Discount:** The referred customer must mention the referrer's name *prior* to accepting their quote. The \$200 discount cannot be applied retroactively to quotes that have already been signed or jobs that are already in progress.
- **Reward Issuance:** The \$200 Gift Card will be issued to the referrer within 14 days of the referred customer's installation being completed and their final balance being paid in full.
- **Cancellations:** If the referred customer cancels their installation or fails to pay their final invoice, the referral reward is voided.
- **Prior Contact:** The referred customer must be a new customer to Finden Solar & Electrical and must not have already requested a quote from us in the past 6 months.
- **Reward Type:** The reward is provided as a digital eGift card and cannot be exchanged or redeemed for cash.
- **Privacy & Data Protection:** Personal information collected in connection with this program will be handled in accordance with the Privacy Act 1988 (Cth) and Australian Privacy Principles. Referrers must obtain the consent of the referred individual before providing their details to Finden Solar & Electrical.
- **Tracking & Verification:** Referrals are tracked using the referrer's full name provided at the time of quote request. Finden Solar & Electrical reserves the right to verify the eligibility of both referrer and referred parties before issuing rewards.
- **Dispute Resolution & Governing Law:** These Terms & Conditions are governed by the laws of Western Australia. Any disputes arising out of or in connection with the referral program shall be submitted to informal dispute resolution in good faith prior to initiating formal legal proceedings in Western Australian courts.
