\$170.00

Sales Tax for Discounted Products Only

Most products available through TechSoup are donated and are tax-free. However, some products are discounted rather than donated and subject to sales tax. The amount of tax charged depends on a number of factors, including the donor partner and shipping destination of the product.

Unfulfilled item balance

This amount reflects items that might be backordered or need additional time to be processed. You will not be charged for the items that you don't receive.
