On this weekend, we expect to enter the “Green” stage of the Pennsylvania Governor’s three phase re-opening plan. The purpose of the Zoom Meeting is to review the steps we have taken thus far; offer the issues that may or may not be still be in play and provide a final decision.

We are waiting to hear the list of requirements from the Bucks County Department of Health and the Centers for Disease Control and Prevention about the Green stage. In the letter of June 7, we communicated the implications and restrictions regarding the yellow stage.

The Zoom call will not be open for questions nor comments at the live session; however, we welcome your participation by sending questions ahead of time. Please submit them via email questions to our Continental Property Manager property manager, Brian Stedman. The deadline is Monday June 29<sup>th</sup> at midnight. Brian’s email is [b.stedman@cpm975.com](mailto:b.stedman@cpm975.com)

The Tyler Walk Homeowners Association Board has been researching this matter and discussing it with many within and outside our community with very careful consideration. We will always act in the best interests of our residents.

The summary notes of the meeting will be posted on the website immediately afterwards and homeowners will have an additional opportunity to raise questions after the meeting. Responses will then be communicated by letter and on our website. If you have any questions or concerns regarding our facilities or anything else, please reach out to our Property Manager, Brian Stedman, by phone at (215) 343-1550 or by email at [b.stedman@cpm975.com](mailto:b.stedman@cpm975.com).

Thank you for your patience and understanding during this difficult time. We hope everyone stays healthy and safe.

Sincerely,

Board of Directors  
Tyler Walk Homeowners Association
