

As a scheme member you can receive emails directly from the police and other agencies by registering on www.cheshirepolicealert.co.uk

Tick here if you have decided to self-register with 'Alert' for your messages. Have a chat with your volunteer coordinator if you are unsure. They will still receive messages in addition to the ones you will receive.

You can also leave it to your coordinator to scan incoming messages, and other sources of information, circulating only what is necessary.

Your Neighbourhood Watch Coordinator is already registered in Alert to receive email messages. If you wish to check this registration, check with your local PCSO or email cheshirewatch@cheshire.pnn.police.uk.

How to contact Cheshire Police

Call 101...

to report a less urgent crime, to contact the police with general enquiries or to speak to a local officer. For example:

- ▶ If your car has been stolen
- ▶ Reporting a minor traffic collision
- ▶ Where you suspect drug use or dealing

Call 999...

When there is an emergency and you need help. This may be when there is a crime in progress or threat to life.

Online reporting Service for Cheshire Police; report a crime, get help and advice and read the latest news and appeals, accessed through the force website www.cheshire.police.uk

For more information about your local policing area, including who your local PC and PCSO are, go to www.cheshire.police.uk and enter your postcode into 'Find your area' and you will be taken to information about local policing priorities and local contact information.

'an independent community-led, initiative'

Invitation to join our Neighbourhood Watch Scheme for

Below are the details of your local Neighbourhood Watch Scheme Coordinator

Name:

Address:

.....

.....

Phone:

If you wish to become a member of the scheme either complete the form overleaf and return the tear off slip to me or email me your details.

Go to www.cheshirenw.org for more information about Neighbourhood Watch in Cheshire.

Neighbourhood Watch Schemes

exist so neighbours can come together to make their communities safer and be more neighbourly. Supported by the police and other agencies, they strive to:

To be a member of an active Neighbourhood Watch Scheme all you need to do is pass your contact details to your local Neighbourhood Watch Coordinator. This will enable you to receive crime updates, other community safety advice and warnings.

As your coordinator, I am registered with the Cheshire Neighbourhood Watch Association (CNWA), the Neighbourhood Watch Network (NWN) and Cheshire Police and WILL NOT disclose your contact details to anyone else without your permission.

Schemes will vary in size, have different local concerns and use different methods of communication. However, all coordinators receive updates and share information with scheme members and Cheshire Police.

Information could include:

- Local crime updates, alerting you to current crime trends or anti-social behaviour
- Crime reduction advice linked to current issues
- Other sources of community safety advice and assistance e.g. contacting your council about dog fouling, fly-tipping, noise nuisance and other anti-social behaviour.

Members are encouraged to take action to reduce the opportunity for crime and anti-social behaviour by:

- Improving home/personal security
- Looking out for neighbours, especially those who may be vulnerable
- Noting down, and reporting, suspicious incidents
- Working with Cheshire Police and other agencies to identify local issues and solve problems where there are community concerns.

From your local Neighbourhood Watch Coordinator

Please let me have your contact details so that I can share information with you, as a member of our scheme.

You can email your details to me, or return this slip to the address on the front of the leaflet.
