

## How do I Report Crime Anonymously?

### Tell them what you know, not who you are

Crimestoppers is an **independent charity** that works with police forces throughout the UK that people can use to **pass on information about a crime anonymously**.

- **Phone:** 0800 555 111 (24 hours a day and 7 days a week).
- **Online form:** [anonymous online reporting form](#)

You don't have to give them your name or any personal information. Calls are not recorded and cannot be traced.

### An invaluable service

The phone number provides an invaluable community service, so that anybody who has information about criminal activity can pass it on, without living in fear of the consequences. Many criminals exploit people's fear to avoid arrest.

Every call is treated with absolute anonymity so that nobody will know the identity of the caller, except you, the caller. **Rewards** are also available and are paid without compromising a caller's anonymity.

The information you give is passed onto the police. It is a **simple and secure way** of bringing criminals to justice, without anybody knowing who the information came from.
