# Detecting AI-generated content

Here are several programs that can be used to check whether content has been generated by an AI program. PLEASE UNDERSTAND THAT NONE OF THEM WILL PRODUCE PERFECT RESULTS.  AS WITH USE OF AN AI ENGINE, USE WITH CAUTION!!

GPTZero

https://gptzero.me

Content at Scale AI Detector

https://contentatscale.ai/ai-content-detector/

OpenAI AI Text Classifier

https://openai.com/blog/new-ai-classifier-for-indicating-ai-written-text

CopyLeaks AI Content Detector
