❁ The "Create Your Own Fairy-tale" Package ❁

Fully Customisable (Cost depending on chosen services)

Your love story is one of a kind — so your wedding should be too. Our *Create Your Own Fairy-tale* package lets you design a planning experience as unique as your day. Pick and choose from our services — from venue sourcing to guest management, décor styling to post-wedding brunch coordination — and build a bespoke package that fits your vision, budget, and timeline.

Whether you need full creative direction or just a little expert guidance to tie everything together, this package adapts entirely to you. You set the priorities; we bring them to life with thoughtful planning, whimsical touches, and seamless coordination.

Perfect for:

Couples who love flexibility and want to craft a celebration that feels utterly their own — whether it's a candlelit elopement, a garden gathering, or a grand romantic affair.

How it works:

1. Begin with a complimentary consultation to discuss your dream wedding.
2. Choose your preferred services from our planning menu.
3. Receive a tailored proposal with transparent pricing and timeline.
4. Watch your dream day unfold — with me by your side every step of the way.

Because no two love stories are ever the same, your planning experience shouldn't be either.
