INTERIM CONDENSED FINANCIAL STATEMENTS

31 MARCH 2011

REVIEW REPORT TO THE BOARD OF DIRECTORS OF INVESTORS BANK B.S.C. (c)

Introduction

We have reviewed the accompanying interim statement of financial position of Investors Bank B.S.C (c) ["the Bank"] as of 31 March 2011, and the related interim statements of income, cash flows and changes in equity for the three month period then ended and explanatory notes. The Board of Directors is responsible for the preparation and presentation of these interim condensed financial statements in accordance with the accounting policies disclosed in note 2. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with the accounting policies disclosed in note 2.

6 LITIGATION AND CLAIMS

In 2004, the Bank entered into a sale and purchase agreement with a financial institution to purchase shares of a related party on behalf of another related party. The net amount due to the financial institution was US\$ 3,670,202 as at 31 March 2011 (31 December 2010: 3,670,202). In accordance with the terms of the agreement, the Bank pledged certain of its investments with a carrying value of US\$ 2,709,004 as at 31 March 2011 (31 December 2010 : 2,778,466). Subsequently, the agreement was terminated by the financial institution due to disputes with the Bank and as a result, the pledged investments have been retained by the financial institution. In the opinion of the Bank's lawyers and management, the agreement was wrongfully terminated and following the financial institution's refusal to settle the matter amicably, the Bank has filed a legal case in the Bahrain courts against the financial institution for wrongful possession of the Bank's investments.

As a result, the court has taken custody of the shares under dispute. The related party on whose behalf the transactions was entered has provided a manager's cheque for an equal amount which has been deposited with the court amounting to US\$ 3,680,203 as at 31 March 2011 (31 December 2010: US\$ 3,680,203). This amount is included under deferred payment sale receivables.

The related party on whose behalf the transaction was entered into has also agreed to reimburse the Bank for legal expenses and any losses arising on final settlement with the financial institution. Accordingly, in the opinion of the directors, no provision is required to be made in the financial statements against the investments pledged with the financial institution or for contingent claims that might arise on final settlement.
