

TTGStreamz IPTV FAQ

1. What is the price of the premium IPTV service?

The premium IPTV service is \$400 per year. This includes access to all channels, NFL Sunday Ticket, pay-per-view events, local news, and VIP concierge support.

2. How do I set up my IPTV device?

You can follow the step-by-step DIY guides available on our website for devices like smart TVs, Fire Sticks, and ONN devices. For additional help, we offer consulting services.

3. What kind of support do you offer?

We provide VIP concierge support with priority troubleshooting and setup assistance during business hours.

4. Can I stream on multiple devices?

Yes! The service supports streaming on multiple devices including TVs, laptops, tablets, and mobile phones.

5. What payment methods are accepted?

Currently, we accept payments via cryptocurrency only. After sending the payment, please send the receipt along with your details to activate your service.

6. Is there a free trial available?

We offer limited-time promotions; please check our website or Telegram channel for current offers.
