March 28 Art on the Wildside

SAVE THE DATE
April 9 Sip N Sing N Strum
April 11 LAPHC monthly meeting
April 18 Putts for Mutts

Logo Contest

For all you creative types, please give a shot at creating alternative logos for the club. Maybe something that would work well on a hat or sticker or flag or kooze or… the possibilities are endless. Try to incorporate whatever you love about our Lower Alabama Gulf Coast. Maybe it's the sharks or dolphins we see, maybe it's Fred the Blue Herron, Lefty the alligator, the white sand beach or the pier. It might be nice to have alternatives to choose from or that better fit different sized swag. And there'll be a prize for any logos we utilize.

A Message from the Leader of Our PHlock

I want to sincerely thank everyone that donated to the first of our monthly food collection efforts. It's a wonderful feeling for the Club to be helping our community. Fins Up! February's donations went to the Lagoon Baptist Church's annual food drive. This is their month to collect non-perishable foods for the Christian Services Center. The Christian Service Center's food pantry serves families throughout Gulf Shores, Fort Morgan and Orange Beach. It's our intention to spread the donations around to the various pantries and blessing boxes around the South Baldwin County area.

I hope you enjoyed the Parrot Head of the Meeting and Parrot Head Faux Pas shenanigans during February's Meeting. I thank everyone for being such good sports. We raised $46, in addition to the $142 from the 50/50 drawing, and that $188 will go to the Club's Charities. I had to laugh when one of our members wrote me that they loved seeing the men grab for their wallets to quickly pass on the honor of being Parrot Head of the Meeting to someone else. If you like having a little fun with each other, please keep it going by honoring (or is it embarrassing) your Phriends as Parrott Head of the Meeting or by sending them to spin the wheel for their Parrot Head Faux Pas.

I look forward to seeing everyone at the March Meeting.

Bubbles Up,
Jeff

Club Information

Facebook (LAPHC members only): Lower Alabama Parrothead Club

Lulu's Tropical Re-Union

An annual event that we really enjoy volunteering ... handing out certificates, flowers, candy kisses, wedding cake and champagne to couples renewing their vows officiaed by Brent Burns. Thank you to Kim Dahlgren for being our club contact and to all who volunteered.

A shout out to those who volunteered for the Seed Swap at the Zoo and those who were safety walkers in the Gulf Shores Mardi Gras Parade.

Wild & Crazy Fun IP Casino Trip

Mike & Linda

Jeff, Sandra, Rochelle, Colleen, Susie

Larry & Sharon

A big thank you to Colleen for rallying the PHlock to get on the bus for Good Times. We hope that she'll plan another one so more members can have a bit of luck at the casino.

A word about volunteering: Due to our club's wonderful growth and members enthusiasm for helping, sometimes the events only need a certain amount of volunteers. Watch for announcements on who the club contact (CC) is and follow their instructions. The CC will need your name and contact info, the shift you'd like to work, and on occasion your shirt size.

National Margarita Day

Our PHlock braved the weather at Cactus Cantina to celebrate probably all Parrot Heads favorite drink. Thank you to Alan for once again organizing the PHun.

Alabama Gulf Coast ZOO

Art on the Wildside
Wine & Whiskey Stroll
March 28

The next **Zoo Enrichment Day** will be **Monday, March 16, from 1-4:00 PM** ... enter through the gift shop and, as usual, social to follow/location TBD. Thank you to those who have been volunteering and of course to Colleen for arranging this. LAPHC has been a big supporter for the zoo for many years.

A PHlock of PHun at the February Meeting!

Again, an outstanding meeting and special guest speaker Karen Poth with the Jimmy Buffett Museum:
When "Son of a Son of a Sailor: The Jimmy Buffett Experience" opens in September 2026 at the National Maritime Museum of the Gulf, it'll feature 6,000 square feet of space dedicated to Buffett's legacy. Space will be filled not just with artifacts from Buffett's career, but with concert footage that fans might not be able to see anywhere else. So far there are more than 130 artifacts collected ... family photos, handwritten lyrics, several guitars, plus a statue from the Rock and Roll Hall of Fame.

Our MOTM Breast Cancer Sippin' & Skippin' reps Penny Huey and Danny Calametti.

Alan is literally & figuratively a Parrot Head.

March 8

Special Note

If you have other ideas for sharing some fun in the meetings and raising a few dollars for our charities, please don't hesitate to let a Board member know. It's all for good causes and a few laughs.
