

BEES INDUSTRIES

PERFORMANCE AGREEMENT

The purpose of this agreement is to set the expectations to be met by,

_____ "the Client", and Bees Industries "the Consultant", hereinafter referred to as "Parties".

For us to be successful in this business partnership certain efforts must be consistently made, and benchmarks met by the Client, as well as the Consultant. The Parties hereby agree to the following conditions to achieve optimal results, or request a refund:

1. All payments for services to the Consultant from the Client are due, and must be tendered on, or before the 1st (first) _____, or 15th (fifteenth) _____ day of each month.
2. The Consultant shall produce an itemized invoice for the previous month's services/commissions on, or before the 1st (first) _____, or 15th (fifteenth) _____ day of each month.
3. The Client shall produce any, and all information of reasonable request within 15 days of a written request for information from the Consultant.
4. The Consultant is to maintain open, and consistent lines of communication during normal business hours, and respond to all inquiries from, and for, the Client in a timely manner.
5. The Client must attend one scheduled "Strategy Session" per month for no less than one hour with the Consultant, at the office of the Consultant _____ / _____, the Client _____ / _____, or via webinar _____ / _____.
6. The Consultant must keep exclusive the partnership with the Client, prohibitive of promoting another company of the same trade, product, or service to "Contractors", "Customers", or "Users" in the same market for the duration of this contract.
7. Both the Client and the Consultant shall defer by default to the pricing and service structure of the signed "Partner Agreement" and for additional services as outlined on the website of the Consultant, to also include a 10% partner discount. <https://beesindustries.com/>
