

CANS

PSC-35

Electronic Behavioral  
Health Solutions  
CALIFORNIA

**CA-eBHS is the gold standard for PSC-35/CANS data entry, individualized client treatment plans, and population outcome reports**

## KEY BENEFITS

- Automated scoring + Treatment Planning Wizard
- Automated state reporting (California)
- Works on any web-enabled device (computer, iPad, Smartphone)
- Exceeds HIPAA compliance, providing 'Safe Harbour' data breach protection from liability
- \$\$\$ savings – at a fraction of the cost of other technology solutions providers
- EHR secure integration available (HIE, Web-services, SFTP automation)
