

Reading Borough Council (RBC) – Commercial and Procurement Data & Reporting

Engaged to design, develop and implement improved Data and Reporting for the Reading Borough Council (RBC) contract management and procurement team, we completely transformed:

- Engineered clear and reliable data collation across all services
- Streamlined and redesigned data processes, reporting enabling prioritised decision making
- Designed, developed and delivered contract management and procurement dashboards, across current BAU, forward planning and resource alignment.

Data Capture & Integration

Data modelling

Dashboard design

Automation & roll-out
