THANK YOU HOT SPRINGS VILLAGE. . .YOU DID IT!

Due to your overwhelming support of our No Paws Left Behind campaign, the HSV Animal Welfare League made the new Feline Adoption Center a reality. After 15 years in foster homes, kittens are now housed at the shelter complex, while the Canine Adoption Center is being remodeled to provide more enrichment for our dogs and puppies and help improve their adoptability.

With special thanks to:

- ***Renaissance Homes*** *(Brandon Tedder, owner & Ryan Elliott, project manager) who worked with us tirelessly on the design and construction*
- ***HSV POA*** *for their partnership on infrastructure changes*
- ***D&V Solutions*** *who was with us on a weekly basis for anything we needed hung, drilled, installed or repaired-they made it happen*
- ***Safley Prestige Home Services*** *for all the landscaping, rock work, stairs and fencing throughout the process whenever we called*
- ***SK Installations*** *for assembly of the new cages and disassembling, moving, and reassembling the existing cages-what an effort!*
- ***Larry Overton Construction*** *for that big beautiful exit road we all thought could not be done, but Jonathan did it!*
