Great Things Happen at the AWL

Village True Value Gifts AWL - July Charity of the Month

Village True Value Home Center and Building Supply presented HSV Animal Welfare League with a check for \$523.26 on August 7th. This is the fourth year we have been recipients of this program. Generous patrons "rounded up" their purchases, and Village True Value matched the donated amount up to \$250.00.

Above: Travis Smith, Marketing and Garden Center Manager, presents check to AWL interim President Beverly Fitzpatrick.

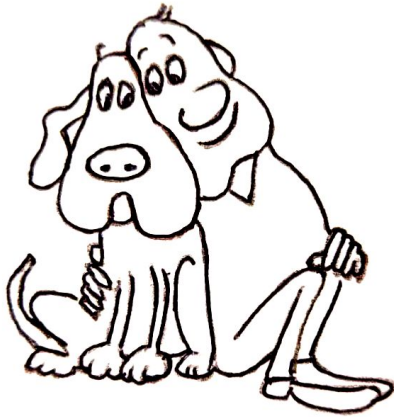

She's a Star!

Eden, now Lunala, was adopted from the AWL 2 years ago. While visiting the Petco Store in Benton, her adopters saw her photo on our AWL poster (top right) and had to get a pic. How cute is this?

SPOT

This big, handsome guy 2 year old guy is Spot. Not only is he handsome, but he is also strong and athletic so he will need someone that is willing to train him and give him plenty of exercise. A home with a high fenced yard, or some land, and maybe a friend to play with, would be perfect. He loves to play in the exercise pen with the big Jolly ball. He loves kids and he is excited to

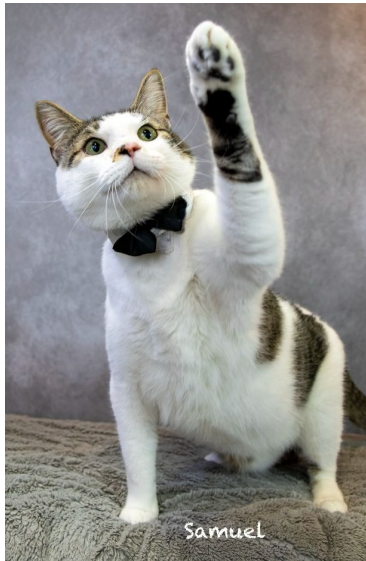

MAX

Max is Dr. McDreamy of the dog world with eyes that melt your heart. He is a fun guy who loves to go for walks and gets so excited when you get his leash because he knows there is fun ahead. Max loves water He loves to grab the Jolly Ball and put it in the wading pool and splash around. Since he has been at the shelter since April, he would love to have a fenced yard so he can

go for walks. Two-year-old Spot is possibly a Catahoula mix weighing about 81 pounds. Spot has been at the shelter since March, and would love to move to his forever home!

run and play. He behaves well, loves to meet people, curious about new things and is eager to learn and please. He knows "sit" and "shake." Max is a one-year-old Labrador Retriever mix and weighs about 61 pounds.

SAMUEL

Double the Pleasure, Double the Fun!

Samuel was born to a mom that was still a kitten. She spoiled all her kittens and even let us add Silas to her brood. Samuel and Silas have been together ever since and have been raised with lots of petting and playtime. When their adopters had to move without them, Samuel and Silas came back to the shelter.

SILAS

Samuel and Silas are like two peas in a pod. They have shared their double decker condo at the shelter since April, and would love a new home where they can roam freely throughout the house. If you want not one, but two cool cats, please contact us to meet Samuel and Silas. Both have grown into friendly, playful kitties full of purr-sonality and need to be adopted together.

Volunteer needed for vital Lily Alert position!

We are looking for a volunteer to post lost or missing pet info through Lily Alerts! Whenever an owner reports a missing pet, the Lily Alert volunteer will be responsible for communicating with the community by composing the necessary information (when and where lost, pet's name, photo, etc.) and using the AWL Lily Alert distribution list to send the email alert. This is a home-based position - a phone and a computer are all that's needed, plus the availability to respond in a timely manner to the situations.

Please contact Beverly Fitzpatrick at 214-632-5314 if you are interested. This

is a critical way to help the AWL and the pet owners of the Village.
Let's help the little fur-babies get home!!
