## **Chief's Report**

February 20th, 2024

**Operations:** 

Activity for 2024 21 - Incidents

Activity since last report: 2 – EMS

11– Special Duty 0 – Structure Fire

January update was focused on hiring 5 firefighters. Training is the focus for new Firefighters on apparatus and procedures. We have contacted many companies for donations for all needs for the district. We have 1 confirmed donation of paint for interior and exterior of the building from Dunn-Edwards Paints 20gallons of paint. Firefighter Farrer has donated Tv's and Door Bell cameras to the district. Correspondence with other agencies from staff vehicles, AC system to Fire trucks in the works and will be updated on the next month's Chief's Report.

Staff has worked together to cover the district shifts and minimize overtime. Captain Hamilton and I are working through District Polices and procedures and will bring to the board any of these needing board approval at a future meeting.

## **Equipment / Facilities:**

Sq 71 has had the front-end steering components replaced but is out of service due to a coolant line failure and will be repaired when the parts arrive.

Leak on the 10,000-gallon storage tank on Scott Dr. was repaired by Captain Hamilton and Firefighter Conway and refilled.

Respectfully submitted;

Cris Lecher - Fire Chief
