On the left side of the image, there is a tall, dark wood shelving unit with multiple levels. The shelves are filled with various items, including a stack of white plates, a blue and white ceramic teapot, and several other teapots and cups. A price tag is visible on one of the teapots. Below the shelving unit, a dark wood chair with a cane seat is positioned. On the chair's seat, there is a blue box containing small, round objects, possibly buttons or beads. To the right of the chair, a small wooden table holds a dark brown box. The background shows more shelving units and a window with a view of the outdoors.

In the center of the image, a dark wood table with a decorative base holds a silver tea set. The set includes a teapot, a sugar bowl, and two cups on saucers. A yellow price tag is attached to the teapot. To the right of the tea set, a large, ornate white pitcher with a blue and black patterned design sits on a matching tray. A price tag is also visible on the pitcher. Behind the table, a small wooden chest with a single drawer is visible. To the right of the chest, a green plastic chair is partially visible. The background features a black metal shelving unit with a diamond-patterned lattice. The shelves are filled with various items, including a yellow teapot, a white teapot, and several plates. A price tag is visible on one of the plates.

On the right side of the image, there is a white cabinet with a decorative top edge featuring a row of tassels. On top of the cabinet, there are several items, including a glass perfume bottle, a small green car figurine, and a candle. A price tag is visible on the candle. To the right of the cabinet, a red metal box with a large star cutout is visible. In the background, a window with a view of the outdoors is visible. A large, round, white plate with a floral design is hanging on the wall to the right of the window. The floor is made of light-colored tiles.

A jewelry display case with a gold-colored, ornate frame and glass panels. It sits on a wooden table. On top of the case is a bust of a woman's head wearing several necklaces: one with large white pearls, one with yellow and pink beads, and one with white and yellow beads. The case is open, revealing jewelry inside.

A lamp with a large, round, amber-colored glass globe and a dark, ornate base. It sits on a table to the left of the jewelry display case.

A tall, yellow metal shelving unit with multiple shelves. The shelves are covered with various kitchenware items, including plates, bowls, mugs, and a yellow pitcher. The shelves are decorated with white lace-like trim.

A woven basket filled with various items, including a red folder and some papers. It sits on a small metal stand next to the jewelry display case.

A decorative bag with a floral and peacock pattern. It has a dark strap and a metal clasp. It sits on the wooden table in front of the jewelry display case.

A small, dark, ornate object, possibly a jewelry box or a decorative item, sitting on the wooden table in front of the jewelry display case.

A light green metal shelving unit with three shelves. The top shelf has a small round tin and a decorative item. The middle shelf has a white cloth with red trim. The bottom shelf has a green fish-shaped object.

A white table with a metal frame. On top of the table are several framed pictures or cards, a small clock, and other decorative items. A white cloth with red trim is draped over the side of the table.
