HOME SWEET HOME

- We humans love it but do we respect it?
Do you recycle your aluminum cans?
Do you find ways to reuse items? –scratch paper
- Do we treat it kindly?
When in nature, do you throw trash or
vandalize trees?
- Do our ‘native neighbors’ have enough room to find
food and shelter?
Have you learned how to cohabitate?
- Do we let the wildlife remain wild?
When you see wildlife, remember A.H.W.F.
