

The management structure of Spaxton Community Shop Society Limited,

The shop opened in Jan 2015 and was registered with the Financial Conduct Authority (FCA) originally as an Industrial and Provident Society for the Benefit of the Community. Registration number 31164R. Our registration number is unchanged but we are now listed on the FCA's register as a Mutual Society.

Management Committee

The responsibility for the running of the company lies with the Management Committee that has up to 12 members who are all directors. The committee usually meets every other month whilst smaller sub committees/working groups meet in the alternate month to discuss matters relating to that group, for example stock or staffing, premises or finance and I.T. These groups then report back to the management committee which bears ultimate responsibility for all decisions made. Management committee members must be shareholders and are elected to position at an AGM. After three years, a member is obliged to stand down but can choose to put themselves forward for re-election.

We employ a part-time manager, Karen Dennett, and pay a part time book keeper.

Management Committee members as from 7th Oct 2020.

Sarah Upfield: Chairman
Simon Haswell: Treasurer
Patricia Edwards
Sally Foxhall
Sonia Hulejczuk
Alison Goldie: Hon Secretary
Lee Spreadbury

The sub committees are those of:

Stock, Staffing, Finances and I.T, Premises, Grants and Communication. Our manager is involved with every one of these. The sub committees' members are mostly management committee members but there may be one or two members that are shareholders but not on the management committee. Shareholders who would like to get involved in this way should first approach the chairman or the manager to discuss the matter.
