

More SALES. New INCOME. One SOLUTION.

Our Vision

We are a local, family-owned company dedicated to delivering high-quality digital display solutions that showcase your brand, elevate your business, and drive success. Our displays not only enhance visibility and customer engagement but also offer an additional source of revenue for your business. With a commitment to excellence and personalized service, we help you stand out in a competitive market.

No Cost

Besides the use of Wi-Fi and electricity, there is no cost to your business.

Expand Revenue

Add another revenue stream by earning a percentage of advertising sales.

Create a Passive Income Source

We take care of all of the work while you earn additional income.

Boost Sales

Drive more customers to your highlighted products or services and expand awareness of events.

Collaboration

Our focus on elevating the success of your business allows us to provide a personalized and unique approach.

Brand Loyalty

Business owners who advertise will typically patronize the location more frequently and refer it to their friends and associates.

Examples of Use:

- ✓ Advertise events like live music, trivia or happy hours.
- ✓ Promote social media pages.
- ✓ Showcase food specials and push sales on specific products or services.
- ✓ Market delivery options to boost to-go orders.
- ✓ Announce job openings to help with recruitment.
- ✓ Boost company morale by utilizing digital signage to highlight employee recognition like employee of the month.
