BLT | Baytown Little Theater

Community Theater at Its Best: Special Thanks to Baytown Little Theater & Island ETC

We extend our deepest gratitude to **Baytown Little Theater** and **Island ETC** for their generosity in supporting our rehearsal process for the Broadway Miscast Cabaret Variety Show. With The Proletariat being an operating business, these theaters stepped in to provide their spaces during their own busy schedules, showing the true spirit of community.

BLT graciously opened their doors to us while preparing for their upcoming production of *Fences* by August Wilson, running February 7–23, 2025. Tickets for this powerful show are available at www.baytownlittletheater.org. At the same time, Island ETC welcomed us into their rehearsal space while preparing for their world premiere of *The Furst Hotel*, running January 24–February 1, 2025. Tickets for this hilarious production are available at www.islandetc.org.

Thank you, Baytown Little Theater and Island ETC, for your kindness and support. Your generosity made this production possible and highlights the incredible collaboration in our arts community.
