This Month's Unit of Study

June 2-10 - Father's Day

A celebration of fathers. The children will express their love through gifts and admiration.

June 11-18 - Graduation

We will spend the next two weeks preparing for our graduation, cherishing our last moments with your children.

June 23-30- Summer

Here we go! We will jump right into our summer unit and theme days. Woohoo!

Father's Day Breakfast

In honor of Father's Day, we would like to invite all our loving dads to join us for a quick bite and a gift-giving event on Monday, June 9, or Tuesday, June 10, from 8:00 a.m. to 9:30 a.m. Your child or children have been enjoying their time making your special gifts for you and can't wait for you to receive them. Please be sure to find your portrait on the wall and take it home as a keepsake.

Summer Camp

The first day of our new summer camp is June 23rd, and we are excited for our daily theme days to begin! Please note that from this day forward, our hours will change to 8:30 am to 5:00 pm. Camp will be billed either monthly or weekly, depending on the schedule. Please be patient, as this is a new process and will take additional time.

Week 1 – June 23-27
Week 2- June 30-July 3
Week 3 – July 7-11

Please refer to the theme day calendar daily to ensure your child doesn't miss out on the fun. We ask that you **bring a labeled swimsuit and towel to keep at school** for the summer. On the warmest days, we will turn on the sprinklers for water play and fun in the sun.

Welcome, New Families!

We want to welcome all our new students to ABC! Our school is built on love, community, and compassion. Taking the first steps through the front door can feel a bit overwhelming, but know that you are in the best hands possible. Our teachers have years of experience in this field and excel at caring for your child. Morning drop-off times are from 8:30 to 9:30 a.m.; remember that a short, consistent goodbye is the key to a successful day ahead. We are excited for you to join the ABC family!

Sun Protection

It's time to restock and apply sunscreen! Please bring a new supply of sunscreen for your child. We're running low, and now that the sun is shining, we want to ensure we have enough to last through the summer months. Please apply sunscreen to your child each morning before school! We will reapply in the afternoon. I also recommend sending your child to school with a sun hat if you are worried about sun exposure.

All items should be clearly labeled.

Teacher Luncheon

Thank you, Caitlin and Jack B., for providing this month's teacher luncheon from Bubbala's. We enjoyed every bite!

Graduation

We are thrilled about the upcoming ABC graduation on Wednesday, June 18th, at the Memorial Park Log Cabin from 2:00 pm to 3:30 pm. The children will perform several songs, showcase their talents, and receive their diplomas. After this delightful performance, we will enjoy refreshments and light bites outdoors. The Butterfly group will travel by car to the Log Cabin on Monday, June 16th, for their rehearsal. We will need parent driver volunteers to help make this event happen. Please let me know if you are available.

Keep an eye out for the Evite, which will be sent by the end of this week. Friends and family are welcome to attend.

Monthly Staff Meeting

ABC will not hold a staff meeting during school hours this month. Instead, it will take place on our teacher workdays.

Thank you!

Harper and Charlie - Play Kitchen
