This Month's Units of Study

August 31- September 4 Outer Space

We will continue learning about the solar system for one more week. There is so much to learn!

September 7-18 Weather

We will learn about our ever changing weather. We have been experiencing so many different types of weather, this the perfect time.

September 14 -25 Community Helpers

We will be learning about the many community helpers that make our lives safe and happy on a daily basis.

Teacher Appreciation Lunch

We would like to ask our parents to help coordinate monthly teacher appreciation luncheons. If this is something you would be interested in helping with, please email me. Our teachers truly appreciate this kind gesture!

Cohort Safety

To ensure the health and safety of our children and teachers, please be sure to keep the children in the cohorts separate. We also ask, if possible, that you avoid travel and large gatherings. Thank you!

Small Groups

We are excited to start our small groups on Tuesday, September 1st. This year we will have two Pre-K groups, a three year old group and a two year old group. Rachel and Yezenia will teach Pre-K. Triny will teach the three's and Malena will teach the two's.

We will spend the first two weeks of small group assessing each child for proper placement. Once the groups are confirmed we will let you know which group your child is in.

Rachel - Rabbits
Yezenia - Tigers
Triny - Butterflies
Malena - Piglets

Hot Lunch

We are happy to announce that Hot Lunch will be available as of September 1st! Hot Lunch has always been part of our program but due to the adjustments we have had to make, we were no longer able to offer it.

Now that ABC is back up and running, we will offer Hot Lunch daily for \$5.00! Please be sure to check out the menu.

ABC's Instagram Page

We would love for you to follow us on Instagram! We post pictures almost daily on our page abc_academy_preschool. Rachel checks and approves all requests to make sure only our parent base can see the photos.
