### **Ontario County Clerk Launches Fraud Alert Service to Notify Property Owners of New Transactions**

Ontario County Clerk Jean Chrisman is pleased to introduce a new, free tool designed to help property owners safeguard one of their most valuable assets—their real estate. The County Clerk's Office is now offering **Fraud Alert**, a notification service that alerts individuals whenever a document, such as a deed or mortgage, is recorded under their name.

Fraud Alert provides timely email updates so property owners can quickly review any newly recorded documents. These documents can be viewed online or in person at the Ontario County Clerk's Office.

"This is an easy way for homeowners to have peace of mind," said County Clerk Jean Chrisman. "Fraud Alert empowers residents to stay informed and take action if something doesn't look right."

Property owners can sign up today at: <https://searchiqs.com/fraudalert/?CC=NYONT>

The County Clerk's Office notes that some names may be shared by multiple property owners within the county. Participants are encouraged to carefully review any alerts they receive to ensure the information pertains to their property.
