✅ Officially checked in MANCHESTER !

A huge THANK YOU TO everyone helping me with my permits, background check and making sure the community stays safe and informed.

For those who haven't met me yet!

Hi!! 🙌 My name is Paula, and I'm a university student from Missouri spending my summer working with Southwestern Advantage 📖

I'll be going door to door around Manchester helping families find educational books, study systems, and learning apps for kids of all ages — from little learners all the way through SAT & ACT prep! 📝📖

! I DO NOT represent or work for any schools. This is simply my summer internship and one of the ways I help pay my way through college!

If you see a burgundy Toyota Corolla with Missouri plates around town... that's probably me 🚗 My plates are: GL8-E1M

Feel free to wave, say hi! or tag families below that you think I should meet! I'm excited to meet everyone this summer 🌞 See less
