Dear Town of Manchester Residents,

The Town of Manchester has been notified of an annual rate increase by our solid waste management vendor, Cassella Waste Services of Ontario, LLC.

As a result of the increase our Transfer Station rate for household waste will move from .22 cents per pound to .25 cents per pound. This increase will take effect beginning **JUNE 1, 2026**.

As always, for current Transfer station members we accept approved electronics, recycling and metals at no cost.
