**Absent:** None.

**Also Present:** John Mueller, Andy Clark, and Manchester Town Supervisor Tate Colburn.

**Application #4676-26:** Consider Area Variance #4673-26 submitted by Andy Clark who is requesting to build a garage & in-law apartment on property located at 3985 Armington Rd, tax map no. 11.00-2-55.000 in an A-1 district pursuant to Chapter 325 Section 325-25.5.

Chairman Lee Sanders began by reading the public hearing notice and asking the applicant to discuss his plans. John Mueller was present representing the neighboring Willowbend Farm, and he had no opposition to the application. Applicant Andy Clark explained his project and existing structures. He said the current small garage will come down before the in-law apartment is added.

Chairman Lee Sanders noted that if the applicant is not happy with the outcome of the meeting, he has 30 days to appeal the decision.

No further questions were had, so Chairman Blazey and the Board Members reviewed the Area Variance Findings and Decision Form. Those questions are listed below.

1. Whether undesirable change would be produced in character or neighborhood or detriment to nearby properties; the Board answered no.
2. Whether benefit sought by the applicant can be achieved by a feasible alternative to the variance; the Board answered no.
3. Whether the requested area variance is substantial; the Board answered no.
4. Whether the variance would have an adverse impact on the physical or environmental conditions in the neighborhood; the Board answered no.
5. Whether the alleged difficulty was self-created; the Board answered no.

The Zoning Board of Appeals concluded that the benefit to the applicant DOES NOT impose a detriment to the neighborhood or community.
