

Juno's Island Adventure

Review ★★★★★

★★★★★
Outstanding

What a warm and enjoyable book! It was so fun to learn about and explore Sanibel through Juno's eyes. Our daughters were also inspired that the book was written by a pair of sisters! We will be back for more of the series.

Brilliant story so creative

What a fantastic read. Its so life like and playful. I love seeing all the amazing spots on Junos adventure. Hes so cute the creators are very creative minds. Brilliant! Less is way not less!
