PLAY THE DAY AWAY CONTINUED

8 | Surfer Dudes

Introducing the world's first self-righting surfing toy. Each dude comes with a name and story. Choose from Classics series, Legends series and Surfer Pets. Collect them, put them in the ocean and watch them catch a wave. They're unsinkable, powered only by waves and come back to you every time.

10 | The Juno Book

Join Juno, the rare Junonia seashell, for a day at home during the coronavirus pandemic. The 30-page "Juno's Day at Home" special coronavirus addition children's book teaches kids the three Ws: wear a mask, wash your hands, and watch your distance. www.instagram.com/thejunobook

11 | Snazzy & Co.

What little girl doesn't want to dress up her doll to look like her? Inspired by customer suggestion, the popular Dolly and Me stretchy beaded jewelry sets, available in coastal themes, allow girls ages four to 12 to coordinate with their American Doll or other cherished toy. www.snazzyandco.com

12 | Jimmy the Crab

Highly realistic model crab simulates the unique experience of eating a blue crab. Jimmy can be taken apart and put back together. This unique crab gift makes for a beautiful display piece and is a huge help to crab-eating newbies. Included with Jimmy is a step-by-step crab picking guide. www.jimmythecrab.net

13 | The Preppy Pelican

Scruffy, the tan lab pup comes in a cute little purse, with rope handles and a pom-pom trim. A toggle closure makes this piece great for taking her along for all your life's rides. Purse comes in nautical prints with seersucker interior and is finished off with a mini pom-pom trim. www.preppypelicanshop.com

14 | Totally Turtles USA

Cuddle up with green turtle Gus while reading of his adventures in the bay where he meets curious children swimming nearby and finds a hatchling release about to take place. "Turtle Trips" is Sue Trew's latest creation in the Turtle Tracks Family book series. www.totallyturtlesusa.com

15 | Create a Castle

Build beautiful sand or snow structures in a short amount of time with this modular split mold sand castle system. Just buckle it, fill it and bring your castle making to the next level. Starter kit includes tower/turret split system cylinder, brick form, multipurpose tool and mesh backpack.
