 Our Stay: Saturday November 16 – Tuesday November 19, 2024 (We came here after leaving Goldminers RV Park early). You can read our blog from that trip here: <https://realtrailerlife.com/blog/f/goat-heads-ouch>

 Cell/Internet/WiFi/Starlink/etc: free WiFi, we used Starlink

 Would we revisit? Yes. Absolutely. You do have jets throughout the day and Reveille at 7AM M-F but we liked it. The FamCamp & Base were stellar.

 Area Attractions we did:

- A trip to the VA Hospital in Phoenix to update some VA information.
- We went to all the Base amenities: Commissary (We got some of the best looking/tasting vegetables ever), Exchange, Gas Station, & the class 6.
- We enjoyed walking to/from the dog park several times a day.
