flexible solutions for your business needs

HR Consulting Solutions

We genuinely want the best for our clients and we recognise that one size does not fit all. Our unique, agile and flexible service enables us to put in place a solution that works best for You. We have a reputation for demonstrating our passion in delivering the best possible client HR solutions, we recognise how vital it is for you to know and be assured that the 'people' challenges within your business are taken care of for You.

HR Services

Ingenium Experts is your source for HR Solutions. Whether you are a small business looking for end-to-end HR services, a new company just starting out, or an established firm needing direction, Ingenium Experts can help. Some of the Human Resource services we offer include:

Training & Organizational Development
Human Resources Consulting
Digital Transformation
ERP Implementation Support Services
Small Business Outsourcing
Enterprise Mangement

CUSTOM SOLUTIONS

We support your overall plans which include your most vital asset...your people. We design People Management Programs, around your existing processes, culture, and ways of working. We develop skills to lead, motivate, train, inspire, and encourage.

Transactional HR

Whether providing you with templates, assisting your recruitment, selection and assessment, creating/refreshing contracts of employment or structuring the set-up and maintenance of your personnel files, we will make sure you recruit the right people and set you off on the right path with your employees. You may want us to produce/review your staff handbook, providing meaningful workforce information/data to your Board, assist you with complex matters such as managing poor performance, absence, a grievance, a disciplinary. From paperwork to pensions, we've got it covered
