RULES:

Pick the winner of each game (NO point spreads) just like every week, **BUT...**

Pick your confidence level for each selection, from **1 to 4**, with **4 being** the game you are **MOST confident** in.

UNLIKE REGULAR SEASON, WEEKLY WINNER IS PLAYER WITH MOST POINTS, NOT JUST WINS (and tiebreaker, if nec.)

You may **ONLY** use each number (1-4) **ONCE** every week. And you must use all 4.

Enter the Points Tiebreaker for the late Sunday night game.

UNLIKE the regular season, tiebreaker losers will **NOT** get anything back. Winners take all.

PLEASE ENTER YOUR RANKING CHOICE (1-4) IN THE BOX NEXT TO YOUR SELECTION.

There will be 25 points available each week. 100 total for the overall points pool.
