

## Donation Request

Dear Foster Partner,

Thank you so much for your consideration of a donation to Foster University. Your contribution helps to serve a community of over 4200 teens and young adults who, to no fault of their own, are part of Arizona's foster system.

Our core tenants and ways your donations help us serve our teens

- **Physiological Needs** - Clothing, food, and essential needs
- **Education**- Back to School and Education Supplies
- **Christmas Wishes** - Serving 200 Foster Kids Christmas Wishes
- **Events / Activity Grants** - We want to find ways to bring joy and growth to teens

We are happy to produce a receipt upon request of your donation of items, gift cards, or services for your records.

***"In all things, we want to unlock the self-esteem and bright futures of every foster teen and young adult!"***

Thank you,

**Eric Nilsson**
