

Think BEFORE you buy a dog.
Think size, think breed, think RESPONSIBILITY!

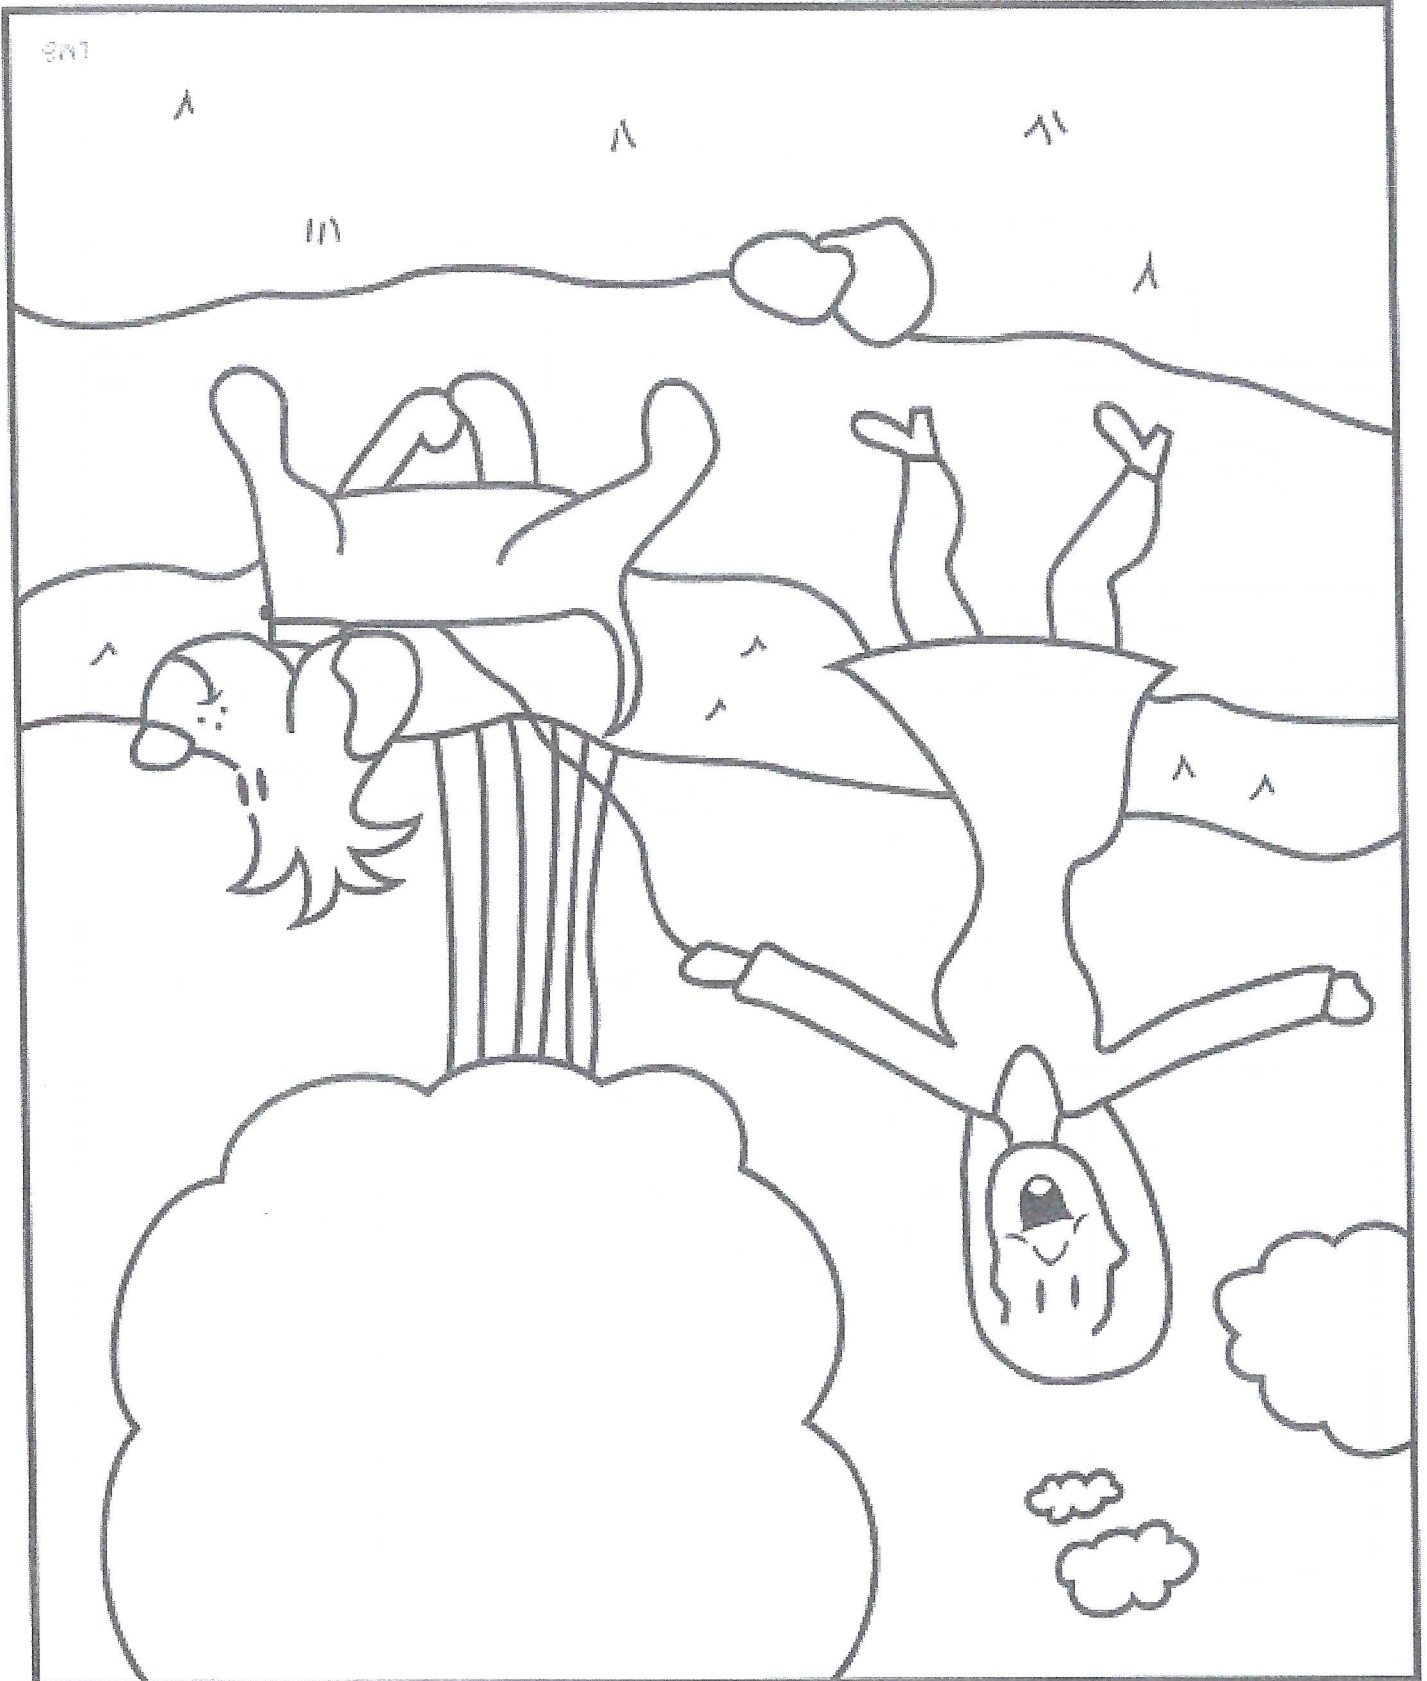

Dog Owners need to be prepared when they bring home a dog. Food, water and a bed are important.

Dogs are taken to the vet for shots and checkups on a routine basis.

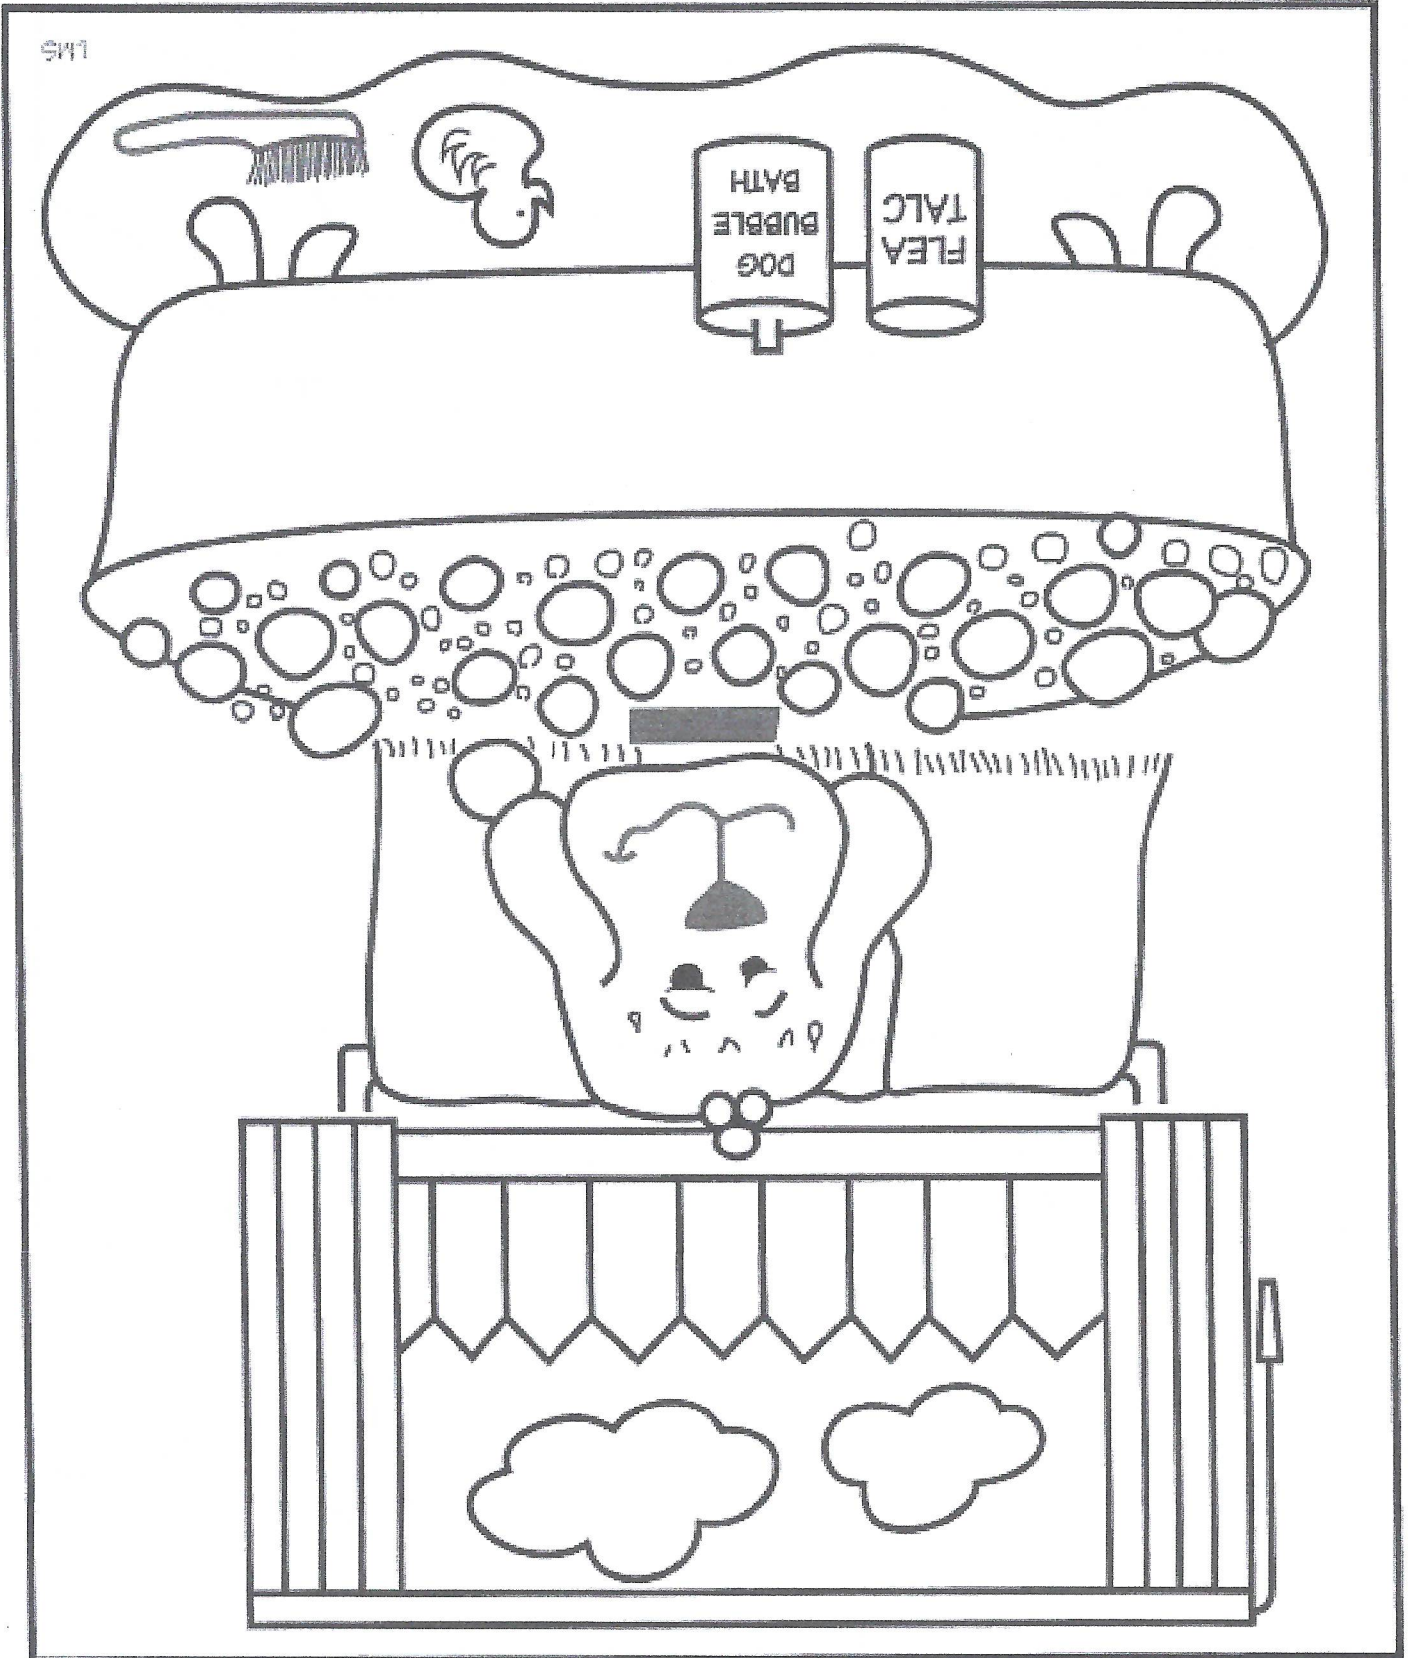

Dogs should be walked on a leash.

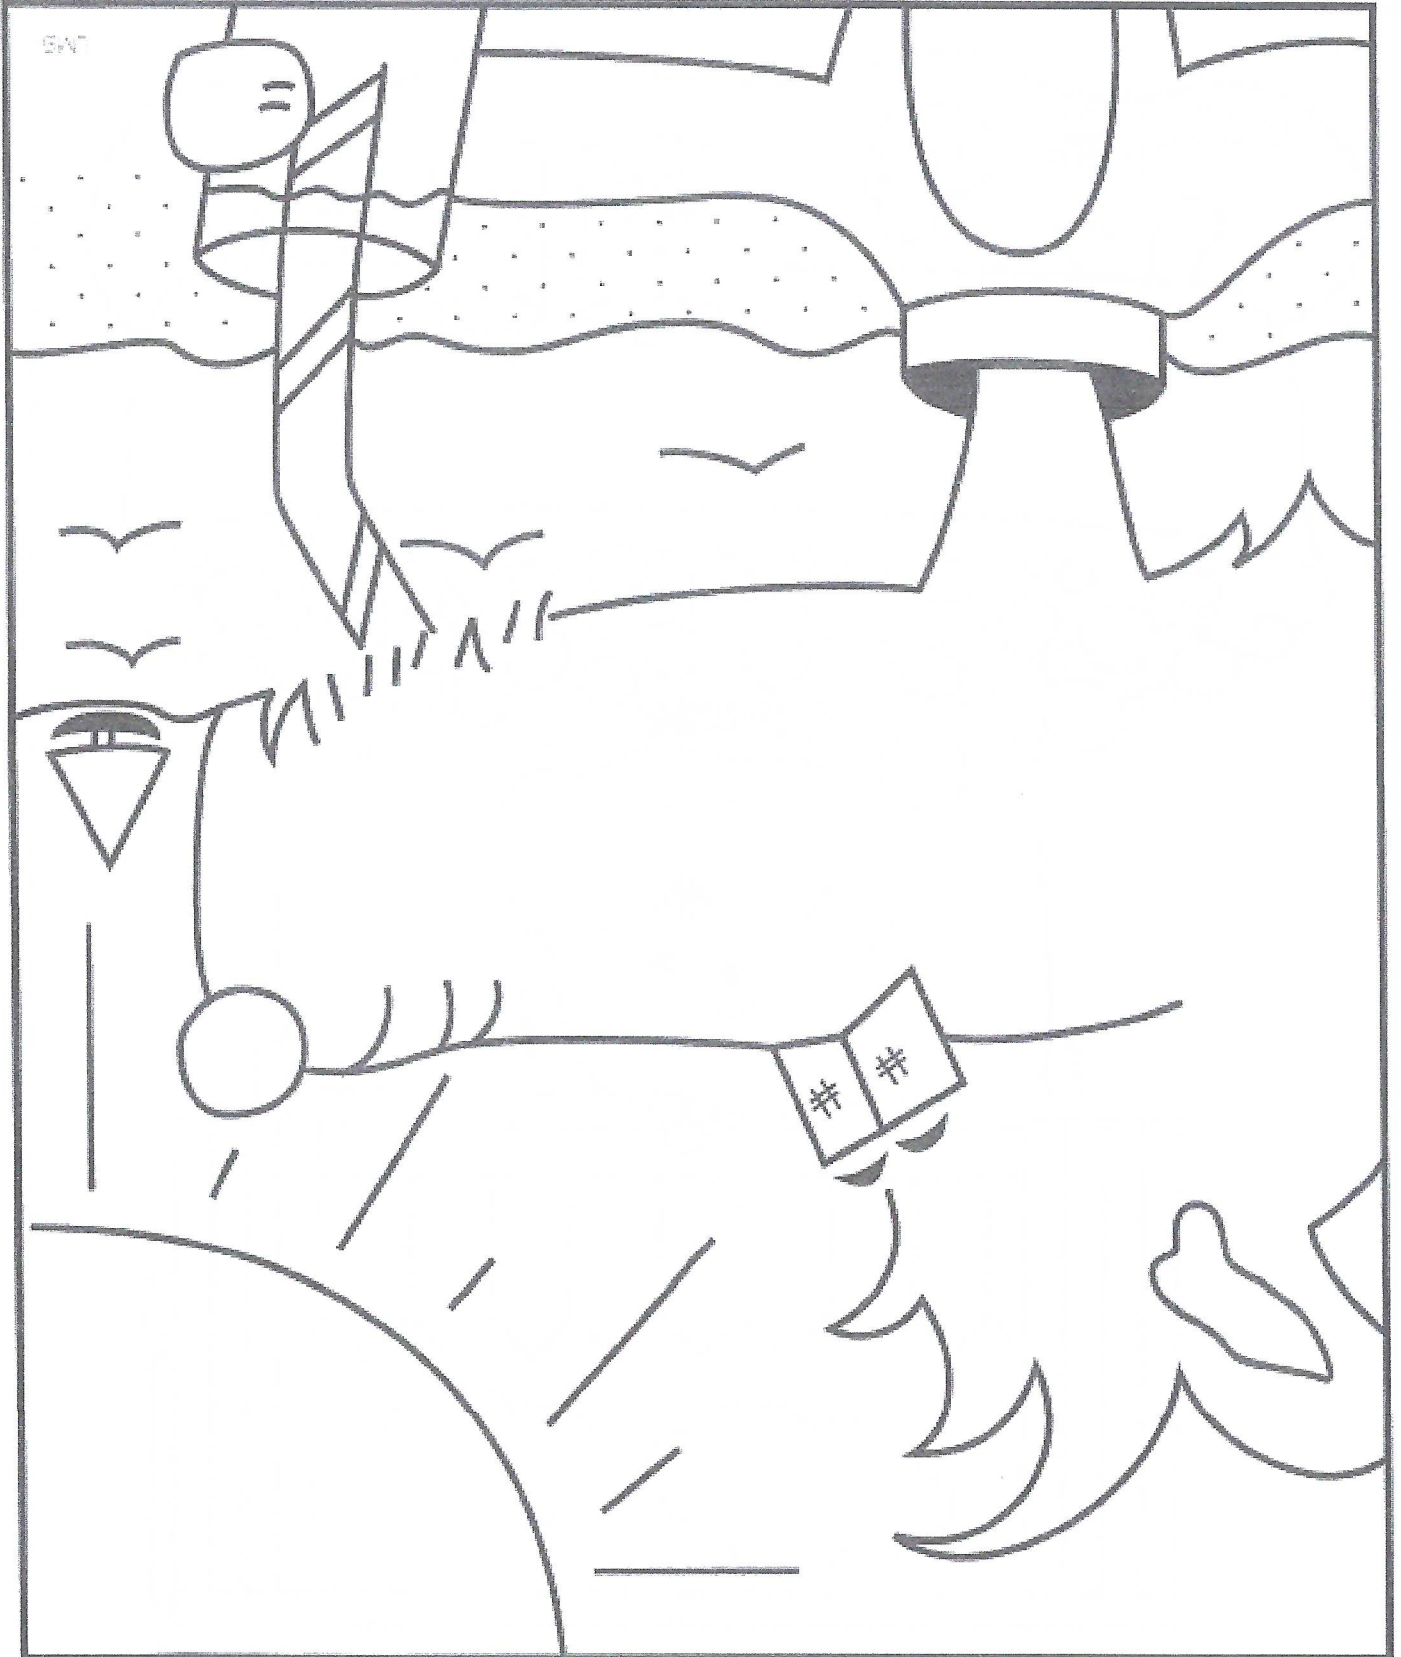

108

Dogs need to be brushed and bathed.

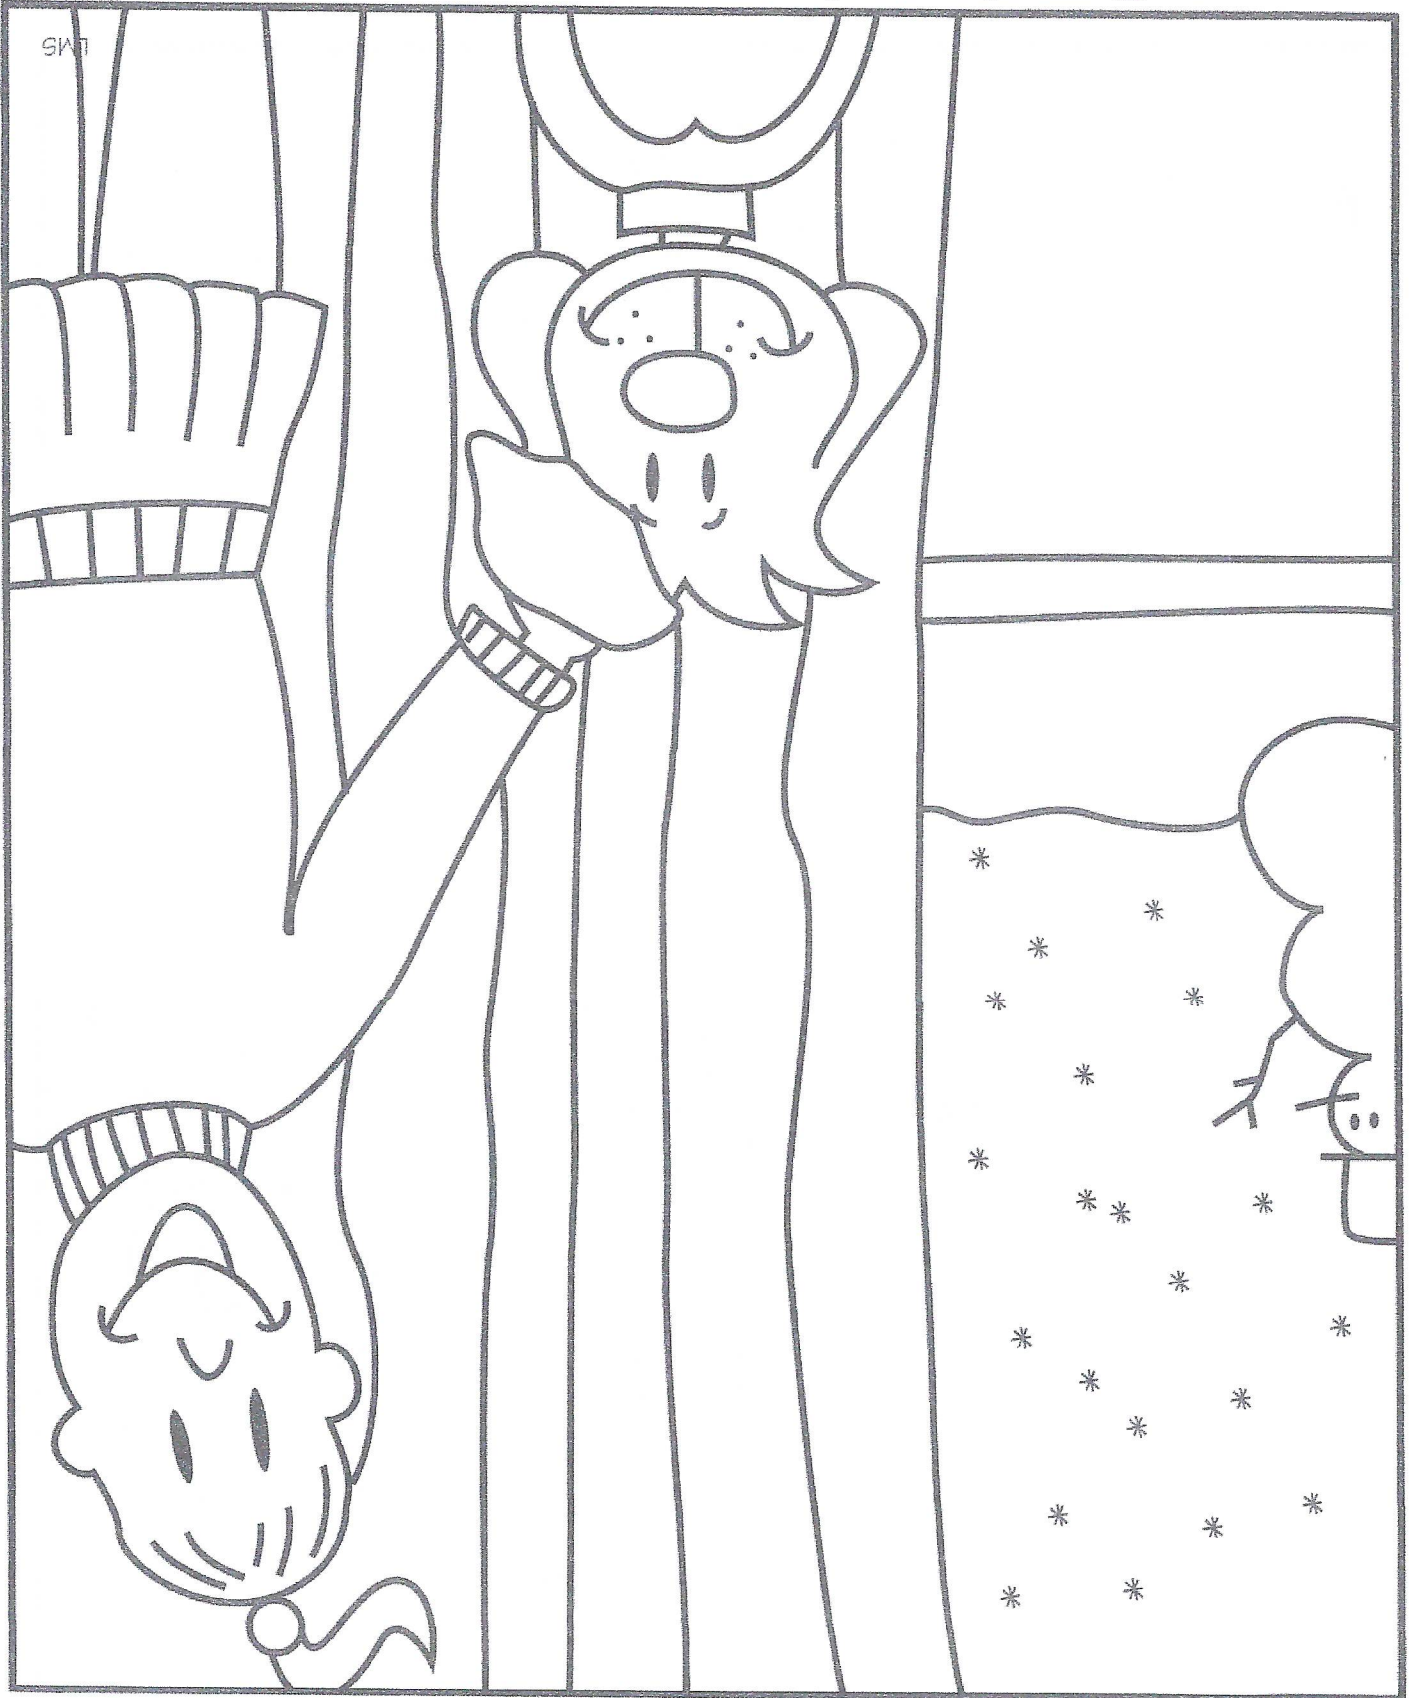

Dogs need cool water all the time- especially in hot weather.

JMS

Dogs also need extra care in the winter.
Proper shelter is important, too.

LMS

Dogs are praised when they are good.

Dogs need love!
